Presentation Details

Thank you for participating in the seeds in the classroom program. This is a 20 minute Presentation for all primary classes followed by a **teacher led activity**. It takes about **20 minutes to complete the activity** with a class of 20 primary students. If it is not possible to plant the seeds on that day they may be stored in the refrigerator for 1-2 days and then planted.

Species: Oak – This tree is propagated from an acorn. **If there are any concerns please notify the Green Legacy Programme** and we will arrange a solution or substitution.

Date of Presentation:

Start time: *a morning or afternoon spot is specified here, the exact starting time is chosen by the school*
