Dear Families of Directly Operated Child Care Centres:

On July 4, 2023, I wrote to inform you of a possible labour disruption that could impact your access to child care at the County of Wellington's directly operated child care centres.

We are pleased to inform you that today, Wellington County Council ratified a one-year collective agreement with CUPE Local 973 (January 1 to December 31, 2023).

We sincerely thank all families for their patience, understanding, and efforts to prepare for alternate child care arrangements during this time.

Best regards,

Mandy Koroniak
Director of Children's Early Years
