

The Corporation of the County of Wellington

APPLICATION TO AMEND THE COUNTY OFFICIAL PLAN

Please review the following application guidelines

PRE-CONSULTATION:

The County of Wellington strongly encourages applicants to pre-consult with County planning staff prior to submitting an application to amend the County Official Plan. Please contact the Planning and Development Department to discuss your proposal and, if necessary, set up a pre-consultation meeting. Staff can review your proposal and discuss initial planning and technical studies that may be required.

APPLICATION FEE: The fee for processing an application for an official plan amendment is payable to the **Treasurer of the County of Wellington** in cash or by cheque. NSF payments will result in the application being considered as incomplete and there will be an additional charge for the issuance of the NSF payment. For information on the current Application Fee, please contact the County of Wellington Planning and Development Department.

CONSERVATION REVIEW FEE: This review fee is payment for obtaining a report/review from the appropriate Conservation Authority on an application which is in the Conservation Authority's area of review. This fee must be sent in with your application and is payable to the appropriate Conservation Authority. For details regarding the conservation review fee, please contact the appropriate Conservation Authority for the subject property.

PEER REVIEW DEPOSIT: Each application must also be accompanied by a deposit in the form of a **separate cheque which is payable to the Treasurer of the County of Wellington**. This deposit will be used to cover the County's costs which are related to peer reviews of studies submitted by the applicant. The County may require additional deposit monies if such is required to complete the County's review. If these costs are less than the deposit, the balance of any deposit will be returned after decision is made on the application.

AUTHORIZATION: If the applicant (e.g. planner, solicitor, or other) is not the owner of the subject land, a written statement by the owner must accompany the application which authorizes the applicant to act on the behalf of the owner as it relates to the application.

REQUIRED INFORMATION: A "Complete Application" includes both prescribed and required information. "Prescribed information" is set out by the Planning Act and under Ontario Regulation 543/06, as amended. "Required information" is information or studies listed within this application form or determined through a pre-consultation process, that the County requires for efficient processing or is necessary to provide the proper evaluation of the application. The County may refuse to accept or further consider an application if this information is not provided.

Note that in some cases, additional studies/reports may be required after an application is submitted and deemed complete) to address unforeseen or new matters that require attention.

SOURCE WATER PROTECTION REVIEW: As required by the Clean Water Act, sources of municipal water supply are to be protected from potential contamination. Source protection plans have been prepared and approved by the Province to address this matter. If it is determined that if your property is subject to a Source Protection Plan in effect, you will need to complete a [Source Water Protection Screening Form](#) and submit it with your planning application. Your application cannot be deemed complete until a written statement is issued by Risk Management Official under the Clean Water Act.
