

Notice of Study Completion
Wellington Road 124
Guelph-Eramosa Township Road 1 to Fife Road Study
Guelph-Eramosa Township
Schedule 'C' Municipal Class Environmental Assessment

The County of Wellington has undertaken a study following the approved process for Schedule 'C' projects under the "Municipal Class Environmental Assessment" to address improvements to Wellington Road (WR) 124 between Township Road 1 and Fife Road.

The Recommended Design Alternative includes the following key elements:

- Two roundabouts – one at WR 124 and WR 32N, and one at WR 124 and WR 32S;
- Four lanes between the two roundabouts, with a centre median
- Three lanes
 - between the rail crossing and the WR 32S roundabout,
 - between the WR32N roundabout and Whitelaw Road, and
 - between Fife Road and 350m west of Fife Road
- Two lanes for the remainder of the road with lane modifications at other intersections

The Environmental Study Report (ESR) is available until January 31, 2020 for a 50-day review period (minimum 30-day review period required). Subject to comments received and receipt of necessary approvals, the project may proceed to construction.

An electronic version of the ESR is available online at www.wellington.ca/EA124

A printed copy of the ESR is available for review at each of the following locations during regular business hours:
