Wellington County and Township of Centre Wellington
Badley (Metcalf Street) Bridge Replacement/Rehabilitation,
Victoria Street Pedestrian Bridge
and West Mill Street Enhancements
Municipal Class Environmental Assessment

The County of Wellington and the Township of Centre Wellington, through their consultant BT Engineering, have completed a Municipal Class Environmental Assessment (Class EA) for: the rehabilitation/replacement of the Badley (Metcalf Street) Bridge; the replacement of the Victoria Street Pedestrian Bridge; and the West Mill Street enhancements. These projects reflect the urban renewal ongoing in Elora's downtown core.

The Process

The Environmental Assessment was conducted as a combined Schedule C (Badley Bridge) and Schedule B (Victoria Street Bridge/West Mill Street Enhancements) project in accordance with the Municipal Class Environmental Assessment (2015). As a Schedule C / Schedule B project, a combined Environmental Study Report (ESR) / Project File has been completed and is available for review at the County of Wellington Administrative Offices (74 Woolwich Street, Guelph), and the Township of Centre Wellington Municipal Office (1 Macdonald Square, Elora) during regular business hours as well as online at the County website (<http://www.wellington.ca/en/Badley-Bridge.asp>) and the Township website (<http://www.centrewellington.ca/livehere/Pages/Environment/Environmental-Assessments.aspx>).

Notice of Completion

If there are any concerns regarding the project that cannot be resolved in discussion with the County or Township, a person or party may request that the Minister of the Environment and Climate Change make an order for the project to comply with Part II of the Environmental Assessment Act (referred to as a Part II Order), which addresses Individual Environmental Assessments. Requests may be received by the Minister by be March 6, 2017, with a copy sent to the Project Engineer (contact information below). If there are no requests by this date, the County of Wellington and the Township of Centre Wellington may proceed with detailed design of the projects.
