

**County of Wellington
 Eramosa River Bridge, No. B124135
 Wellington Road 124
 Municipal Class Environmental Assessment Study**

Online Public Information Centre

Comment Sheet

The County of Wellington is conducting a Schedule 'B' Municipal Class Environmental Assessment (Class EA) study for the rehabilitation or replacement of the Eramosa River Bridge (No. B124135). This Class EA study will confirm and document the structural and functional deficiencies and identify alternative solutions, including rehabilitation or replacement of the bridge, and evaluate associated environmental impacts.

The purpose of this Comment Sheet is to gather input from the community on the material presented in the Online Public Information Centre (PIC) display boards that were made available on the County's website. Your input is greatly appreciated.

You may submit a copy of your comments to the Project Team by June 20, 2018 via email, fax, or mail to:

Mr. William Van Ruyven, P.Eng.,
 Consultant Project Manager
 WSP

Please complete the following information for our records (**Please Print**):

Name: _____

Address: _____

Email: _____

Thank you for your participation. Information from the comment sheet will be tabulated and incorporated as part of the study documentation.

Notice of Collection of Personal Information:

Personal information is collected under the authority of the Environmental Assessment Act and will be used in the assessment process. With exception of personal information, all comments shall become part of the public records. Questions about this collection should be directed to the Project Manager listed in the notice.
