# Distinguished Budget Presentation Award

GOVERNMENT FINANCE OFFICERS ASSOCIATION

## *Distinguished Budget Presentation Award*

PRESENTED TO

**County of Wellington  
Ontario**

For the Fiscal Year Beginning

**January 01, 2023**

*Christopher P. Morill*

Executive Director

The Government Finance Officer's Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to the County of Wellington for its annual budget for the fiscal year beginning January 1, 2023. In order to receive this award, a governmental unit must publish a budget document that meets programme criteria as a policy document, as an operations guide, as a financial plan, and as a communications device. This award is valid for a period of one year only. We believe our current budget continues to conform to programme requirements, and we are submitting it to GFOA to determine its eligibility for another award.

January 31, 2024

Dear Residents of Wellington County:

On January 25, County Council adopted the 2024 budget. The County continues to feel the cost impacts from inflation as well as changes to provincial funding models including the Ontario Community Infrastructure Fund. These budgetary pressures have been mitigated through a commitment to long term financial planning and reserve management. This budget protects core services and makes significant investments in infrastructure, housing, ambulance, long-term care, and the Ride Well Rural Transit Service.

Highlights of the 2024 Budget include:

- \$37.4 million in roads capital infrastructure and public works facilities including the construction of the new public works garage in Arthur and funding for the reconstruction of the first of four bridges on Wellington Road 109
- Facility upgrades at the Elora and Rothsay Transfer Stations, providing similar infrastructure, working conditions and patron experience to the other four County waste facilities
- Construction of the new Erin Library Branch
- Capital investment for 24 new emergency shelter beds and 12 transitional housing units at 23 Gordon Street in Guelph. This project is supported by the Governments of Canada and Ontario.
- Ambulance service expansion including the addition of nine new paramedics to improve response times.
- Enhanced direct care hours at the Wellington Terrace Long-Term Care Home, supported by the Government of Ontario.
- Increased service levels for Ride Well Rural Transit Service to provide additional availability for residents in need

I would like to thank County staff for preparing this budget, and Council for their conscientious review and cooperation throughout the budget process.

**Andy Lennox**  
 Wellington County Warden

# Strategic Action Plan

The Strategic Action Plan is a true reflection of how the Corporation of the County of Wellington works—in an environment that promotes openness, trust and collaboration. The County takes pride in providing the best value and highest level of service to our residents and businesses, including:

- Maintaining County Roads
- Managing Solid Waste Services
- Garbage Collection and Recycling Services
- Affordable Housing and Child Care Services
- Long-Term Care
- Libraries
- Museum and Archives
- Planning and Development Services

## Proudly Moving Forward Together

Wellington County

## Strategic Action Plan

Proudly Moving Forward Together is an update after the completion of the previous 2019-2023 'Future Focused. People Invested.' Plan. This Strategic Plan seeks to review similarities and differences from 2019 in Wellington County, then adapt and improve within the confines of the new reality. This plan seeks to offer strategic directions aimed at helping Wellington County navigate these new circumstances while ensuring the County continues to thrive.

### WHAT SEEMS TO BE NEW OR DIFFERENT?

- Housing, Housing, Housing—while this was a burgeoning challenge in 2019, it is a significantly greater challenge today. A shift from planning to adapt to actionable building is considered to be needed immediately.
- COVID has accelerated the need for continued and enhanced staff well-being, safety, health and wellness.
- The waitlist across Wellington County's Long Term Care facilities is getting longer as more support is needed. This growing need is not expected to slow down in the coming years.
- People experiencing homelessness is a rising challenge, no longer being isolated to only urban areas, but moving across the entirety of the County.
- Growth is not only coming its now here – while in 2019 it was starting to become an issue it is now a significant daily challenge. Given this, how do we manage it and how do we deal with it are much more pressing questions.
- Communicating with people in a variety of mediums is more necessary – especially since the pandemic began and virtual mediums are becoming expected more often, how does the County balance traditional verses emerging virtual approaches.
- Sustainability is more prevalent in the language being used within the Corporation and the County more broadly.
- There is a more pressing shortage of workers in the community – not just general labour but identifying how to attract the right and the best people to work at the County is paramount.
- Climate Change and Mitigation Strategies are at the forefront in a much more impactful way when compared to 2019.

# Strategic Action Plan

## Wellington County Values

Above all, Wellington County values:

1. **The personal well-being of its residents, employees, and elected representatives.**  
We understand that the People we serve, the People we employ, and the People who help provide direction and guidance are the People who make the County special.
2. **Openness and transparency in the decisions we make and how we conduct our business.**  
We understand that we need to ensure that our people are working in an environment that promotes openness through trust and transparency.
3. **Respectful collaboration as the base of how we work, both internally and with external partners.**  
We understand that it is better to work together as a cohesive team and with our partners.
4. **Responsibility for the County's future.**  
We understand that we are the gatekeeper to the County's future, and this is a responsibility we do not take lightly. We recognize our role as a good steward of the local environment, and we pride ourselves in integrating principles of sustainability in everything we do.

## Wellington County Aspirations

We will continuously work to ensure that the County has the:

1. Best **people** in place to provide the best services and make the best decisions;
2. Best **processes** in place to collectively make the best decisions;
3. Best **services** in place to service the County's residents and businesses;
4. Best **infrastructure** in place to meet the current and future needs of the community.

## Strategic Actions and Priority Areas

We have divided a set of strategic actions into four priority areas:

**Tackling a Major Community Opportunity—Housing**

**Doing What the County Does Best—Providing Critical Daily Services to Our Residents**

**Making the Best Decisions for the Betterment of the Community**

**Cherishing the County's Most Valued Asset—its Staff**

## Tackling a Major Community Opportunity—Housing

In order to achieve this objective, we will:

1. Continue with the ongoing goal of finding immediate and long-term solutions to best support those people who are experiencing homelessness
2. Assist in solving the current housing crisis
3. Ensure the Wellington Terrace Recruitment Strategy remains a top priority for the County
4. Make a decision regarding whether or not to proceed with the Continuum of Care project
5. Creating an educational programme aimed at highlighting for new residents the existing culture and lifestyle of the various rural communities within Wellington County as well as the changes that the residents of these growth communities can expect due to the impending population growth.

## Doing What the County Does Best—Providing Critical Daily Services to Our Residents

In order to achieve this objective, we will:

1. Work with the City of Guelph to update the Guelph-Wellington Paramedic Service Master Plan.
2. Prepare new communications and information programme aimed at ensuring a smooth transition and roll out of the Individual Producer Responsibility recycling collection programme.
3. Continue to: Assess residents' need for quality child care; identify gaps and opportunities in the provision of child care; explore opportunities to fill any gaps in the delivery of child care spaces.
4. Safeguard the continued and safe disposal of rural septage.
5. Update the County's 2019 Wellington Walks trails map and hiking guide. As a part of the update, consider adding new public spaces that are being readily accessed but not yet recognized as publicly accessible space in the past.

## Making the Best Decisions for the Betterment of the Community

In order to achieve this objective, we will:

1. Continue to implement the County's Long-Term Financial Sustainability Strategy and update the Annual Budget and 10-Year Plan.
2. Accommodating Provincial regulations, continue working with all County's Departments to update the County's Long-Term Asset Management Plan
3. Continue with the implementation and progress reporting of the Future Focused climate change mitigation plan.
4. Working with member municipalities to create a set of standard criteria which member municipalities can use to evaluate their abilities to withstand extreme weather events resulting from climate change.
5. To assist in the decision-making process for major capital projects: Continuing the conversation to establish a set of benchmarks or criteria from which the County can base its decisions.

## Cherishing the County's Most Valued Asset—its Staff

In order to achieve this objective, we will:

1. Ensure Recruitment and Retention remains a top priority for the County.
2. Continue reporting and build on the Human Resources Annual Report, engage County staff and build out a comprehensive Human Resources Strategy
3. Continue implementing and growing the County's Wellness Strategy and capturing and sharing the County's Corporate culture
4. Begin embedding the notions of the Wellness Strategy into the County's Human Resources policies

# Message From The County Treasurer

February 1, 2024

**Ken DeHart, CPA, CGA**  
**County Treasurer**

On behalf of the members of County Council, the Warden and the Senior Management Team, I am pleased to present the County of Wellington's 2024 Budget and Ten-Year Plan, which was adopted by Council on January 25, 2024.

This is the second budget of the Council term from 2022 to 2026. The County completed an update to the strategic plan from 2019-2023 'Future Focused. People Invested.' The updated plan 'Proudly Moving Forward Together' will aid in providing direction to elected officials and senior staff on County priorities, challenges and opportunities during a time of changing social, cultural, and labour dynamics facing the corporation.

After many years of low tax rate increases and a stable economy with low inflation (County tax rates increased by an average of 2.4% annually for 14 years between 2009-22), the post-pandemic recovery has brought upon many new economic challenges.

Geo-political tensions, global supply chain disruptions, an aging population, record levels of immigration, a shortage of skilled labour and an inability for new housing builds to keep up with demand have all had negative effects on the global, domestic, and local economies. The result of all these factors is a rampant increase in inflation – including labour, construction costs, service contracts and insurance rates. At the same time, demands on public services are increasing – the County's population is growing. There has been a significant drop in housing affordability, an increase in homelessness, and more demands on health care that comes with a growing and aging population – such as paramedic services and long-term care.

In order to combat inflation and housing affordability concerns, the Bank of Canada has been increasing interest rates and the provincial government has been providing additional exemptions on municipal development charges. The change in interest rates will increase the County's cost to borrow, while the drop in the County's ability to collect development charges – during a period of high-growth and increasing capital costs – means that costs will shift from new development onto existing property taxpayers.

Consistent with the County's Long-Term Financial Sustainability Strategy and Asset Management Plan, the County has taken a long-term approach to financing its capital needs by utilizing capital reserves to avoid major spikes and dips in the County tax levy. The County's approach has been to phase-in capital cost increases over a 2-3 year period utilizing (and drawing upon) reserves while costs are going up and building them back up as costs begin to stabilize. That means that the County is still phasing in significant capital cost increases from 2021-2023 (approx. 35% over that period), while preparing for the demands of the ten-year capital forecast.

The County's operating budget is \$301.4 million in 2024, with capital spending of \$75.6 million and a total capital investment of \$574.8 million planned over the next ten-years. The average increase is 4.6% on the County portion of residential tax bills (2.6% of total tax bills) or \$30 per \$100,000 of assessment. New debt issues total \$81.8 million over the forecast. The 2024 Budget and Ten-Year Plan protects core services and makes significant investments in infrastructure, housing, ambulance, long-term care, and the Ride Well Rural Transit Service.

## Consolidated 2024-2033 Budget Summary

The annual operating and capital budgets are approved using the modified accrual basis of accounting. The consolidated budget summary is prepared using a full accrual basis of accounting, and more closely reflects the annual financial statements.

# History Of The County Of Wellington

- 1838** The District of Wellington was set apart as a separate district and contained the counties of Wellington, Waterloo, Grey, and parts of Dufferin County.
- 1852** The United Counties of Waterloo, Wellington, and Grey were formed.
- 1853** Wellington separated from Waterloo
- 1854** Wellington County became an individual entity consisting of the Townships and Towns of Amaranth, Arthur, Eramosa, Erin, Guelph, Guelph (Town), Garafraxa, Maryborough, Nichol, Peel, Pilkington, and Puslinch. The first Wellington County Council meeting was held January 23, 1854.

In subsequent years, other municipalities joined the County:

- 1857** Arthur, Luther, and Minto
- 1858** Elora and Fergus
- 1864** Orangeville
- 1866** Mount Forest
- 1869** Garafraxa Township separated into East and West
- 1872** Arthur Village
- 1873** Harriston
- 1874** Clifford Village
- 1875** Drayton and Palmerston
- 1881** East Village

- 1879** The City of Guelph separated and became incorporated as a City and was no longer represented on Wellington County Council. Luther Township was divided into East and West. Orangeville and East Garafraxa joined Dufferin County and were no longer represented on Wellington County Council.

- 1999** Amalgamation resulted in the formation of seven new municipalities:

Township of Centre Wellington

Town of Erin

Township of Guelph / Eramosa

Township of Mapleton

Town of Minto

Township of Puslinch

Township of Wellington North

The Economic Development Division undertakes talent attraction activities and collaborates with the Guelph Wellington Local Immigration Partnership, Immigrant Services Guelph-Wellington, and Wellington County Settlement Services to encourage newcomers and immigrants to settle in Wellington County. This network of agencies and community members focuses on employment, language training, and community inclusion.

According to the 2021 census, immigrants born outside of Canada stem predominantly from Europe and Asia: 31.8% of all immigrants in Wellington County are from the United Kingdom, while 9.1% are from the Netherlands. 67.6% of recent immigrants (those who have arrived in Canada within the last 5 years) in Wellington County arrived predominantly from four countries: 30.8% from Ukraine, 19.2% from India, 10.1% from the Philippines, and 7.5% from Syria. Of the municipalities, Erin has the highest proportional immigrant population of 17.9% compared to Wellington North which has the lowest at 6.4%. While immigrants make up 11.9% of the County's population, an additional 18.1% are second generation, meaning that they have at least one parent who was born outside of Canada.

# Demographic Profile: Education

Wellington County is part of the Upper Grand District School Board and the Wellington Catholic School Board. Both offer excellent elementary and secondary institutions. Locally there are also options for those interested in Montessori, outdoor, faith-based, French Immersion schools, and early childhood education.

There are a considerable number of highly regarded post-secondary institutions in the area. The close proximity to the University of Guelph and Conestoga College, as well as other post-secondary institutions in the region, such as Wilfrid Laurier University and University of Waterloo, is a major asset to the current and future training and workforce needs within Wellington County.

The University of Guelph is ranked one of Canada's top comprehensive universities because of its commitment to student learning and innovative research. The University community also shares a sense of social responsibility, an obligation to address global issues and a concern for international development.

Conestoga College is Ontario's fastest growing college and a leader in polytechnic education. The college's project based learning model provides students with hands-on experience to prepare them for success in careers including business and hospitality, skilled trades, engineering and information technology, health and life sciences, community services, media and design.

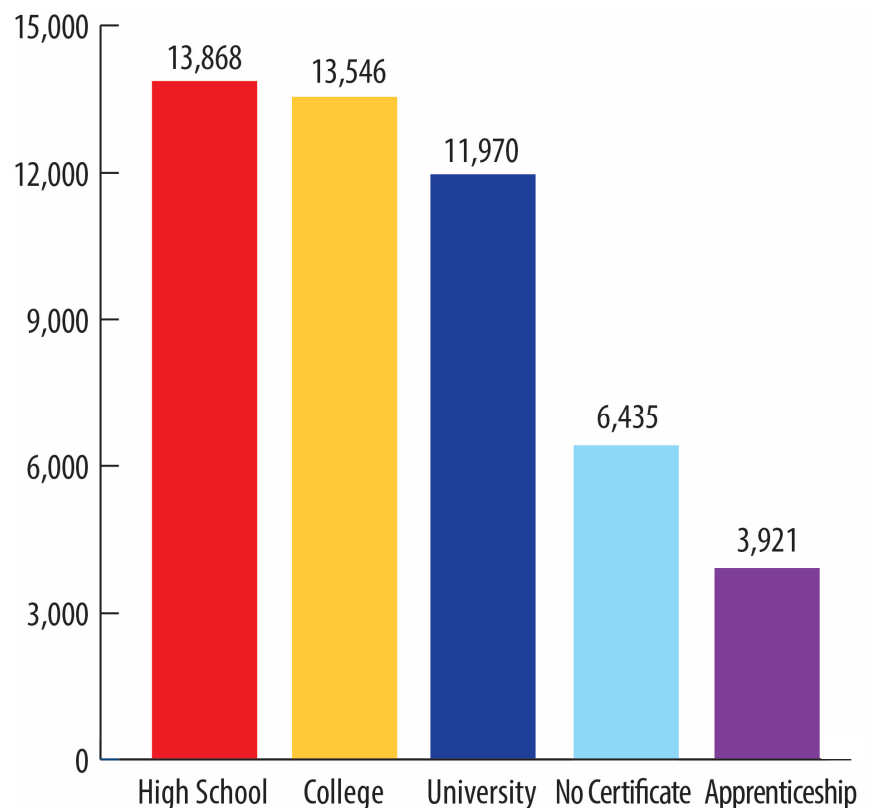

In Wellington County, 51% of the population aged 25-64 years have a college or university level education.

There are a considerable number of highly regarded post-secondary institutions in the Greater Golden Horseshoe feeding the available labour force, including:

- University of Guelph
- University of Toronto
- McMaster University
- University of Waterloo
- Toronto Metropolitan University
- Wilfrid Laurier University
- Brock University
- Georgian College
- Humber College

## Three-Year Economic Development Action Plan

The County Economic Development team started to implement the Three-Year Economic Development Action Plan for Wellington County. This plan looks at communicating the areas of focus to help businesses and support the communities within the County, as well as focus on addressing local challenges and being proactive in preparing the local economy to be more resilient. Activities for the next two years under this plan are intended to be creative and actionable, with specific focus being driven to the following areas:

1. Business Attraction, Retention, and Expansion
2. Community Improvement Programme
3. Talent Attraction and Newcomer Support
4. Tourism
5. Shop Local Support
6. Workforce Development
7. Attainable Housing
8. Our Food Future
9. Broadband Internet and Connectivity
10. Rural Transportation

# Economic Development Highlights

## Business Retention and Expansion (BR+E)

Business Retention and Expansion (BR+E) is a community-based economic development programme that focuses on supporting existing businesses.

In November and December 2020, staff from the County and all seven member municipalities conducted the OMAFRA Business Retention and Expansion (BR+E) Recovery Survey. In total, 435 surveys were submitted by Wellington County businesses and a BR+E Recovery Action plan was developed. In 2021, recovery efforts addressed four

key areas with actions that support: Operating Safety, Business Services, Mental Health Resources for Businesses, and Shop Local and Promotion of Wellington County.

In collaboration with local community futures organizations: Wellington-Waterloo Community Futures (WWCF) and the Saugeen Economic Development Corporation (SEDC), the Wellington County Business Recovery Grants were developed. These included the: Business Safety Supply and PPE Grant, Business Service Support Grant and a Physical Adaptation and Technology Grant. There were 156 grants provided for a total of \$150,000 supporting recovery efforts for local businesses. Additional actions supported shop local campaigns, promotion development, and sponsorship of business workshops that help businesses gain knowledge and skills to support their businesses.

In 2024, staff from the County will begin a BR+E programme focusing on downtown businesses.

## BR+E Implementation Fund

The BR+E Local Implementation Fund provides funding to municipalities for the direct execution of BR+E activities to enhance the local economy. Starting with its inception in 2014, the BR+E Implementation Fund has led to a total investment of approximately \$4.8 million in Wellington County.

## Invest WELL Programmes

In 2023, a review of the Invest WELL Community Improvement Programme was completed. As a result, the programme has been renamed to the “Invest WELL Programmes” to make it more relevant to the type of funding administered by the County.

The Invest WELL Programmes continue to support business revitalization, beautification, and investment attraction in Wellington County by providing top-up funding to local municipal Community Improvement Plans (CIP).

The Invest WELL programmes offer funding through tax incentives and grants to projects that align with the following countywide priorities:

1. Using land strategically
2. Improve buildings and infrastructure
3. Diversify the economy
4. Provide affordable housing
5. Promote tourism
6. Incorporate sustainability

## Tourism

In 2023, the County of Wellington launched its first-ever Tourism Strategy to strengthen support for tourism-based businesses through networking, capacity building, and marketing. The strategy builds on the successes of several tourism-based initiatives and will guide the County's future actions and investments to strengthen the sector and establish Wellington County as a top rural tourism destination within Southwestern Ontario.

The "Pay to Play" tourism signage programme launched in 2018, promotes greater awareness of tourism-based businesses across the County and encourages visitors and locals alike to explore rural destinations. The County continues to promote year-round visitation through its Experience Wellington website, seasonal marketing initiatives such as the Winter Adventures campaign, and a suite of seasonal outdoor experiences. Staff continues to explore tourism product development opportunities to offer a greater variety of tourism experiences and attract spending. This led to a cycle tourism assessment (2022) and the development of seven signature tourism cycling routes (2023).

## Taste Real

Wellington County has a rich agricultural heritage and a diverse terroir, making it an ideal place for farm gate shopping, food events, and on-farm experiences. The Taste Real programme promotes farm and food experiences and shopping local to visitors and residents through seasonal food campaigns and the Local Food Map.

Guelph-Wellington is also known for its craft breweries and emerging distilleries, which complement the County's authentic food culture and led to the development of a Craft Gin Trail in 2021. Taste Real launched its first Food Experience Guide in 2022, promoting farm and food-specific outings and adventures available locally. The programme actively collaborates with local farmers' markets to facilitate the Farmers' Market Passport programme, encouraging visitors and locals to explore rural destinations and support local businesses.

Taste Real's efforts to promote local food also include a Farmers' Market Box Programme, generating significant revenue for local market vendors. Rural Romp campaigns allow residents to discover farms and local food options in the region, and the Holiday Food and Gift Guide encourages holiday shoppers to buy their gifts and food in Wellington County.

Overall, Taste Real's efforts to promote local food and food experiences in Guelph-Wellington have been instrumental in connecting residents and visitors with the region's agricultural heritage and diverse culinary offerings.

## Talent Attraction

The Talent Attraction Initiative continues to promote Wellington County as a desirable place to live and work. In 2020, Immigration, Refugee and Citizenship Canada (IRCC) funding was secured to support an Economic Development Talent Attraction position with the aim to attract newcomers to live and work in the County. Additionally, the initiative interacts with employers, encouraging them to consider hiring immigrants, newcomers, and global talent, thus helping address the labour skills shortage. The Talent Attraction Initiative supports employers, newcomers and immigrants as our businesses and communities continue to employ and welcome newcomers, and make Wellington County a more inclusive and welcoming community. 2023 highlights include the County's first multicultural festival and the Wellington Welcomes awareness campaign.

## Workforce Development

The County understands the importance of the need to attract and maintain employees to sustain its economy. While workforce demand may not have changed, there have been significant changes to labour market trends. It is more difficult to attract workers to traditional industries, on which the local economy relies.

The County continues to look out for strategic opportunities for skills development and training partnerships, analyzing workforce and labour force metrics on a continuous basis, and commit to workforce attraction and retention efforts. The County and its business climate will work to improve and be proactive towards workforce development opportunities and challenges.

## Western Ontario Warden Caucus (WOWC)

The Western Wardens Caucus includes 15 upper and single-tier municipalities and 300 communities, of which the County of Wellington is an active member, with Warden Lennox being elected as vice-chair in February 2024. The current priorities of the WOWC include: affordable and attainable housing, workforce development, broadband infrastructure investment and advocacy, and mental health and addictions. The challenges facing municipalities, particularly small and rural communities, are on the rise and include housing to workforce, and mental health to homelessness. Following the WOWC Workforce Strategy completed in 2022, the ED Committee has requested the provincial government's support to develop a workforce attraction campaign website. This site would house public information to inform and build awareness of broad career opportunities, current job opportunities, and community features and amenities to attract and retain workers and residents targeted to identified personas. In addition to hosting senior staff as subject matter experts on specific municipal issues, the WOWC also hosted a Workforce Conference in 2023 to encourage regional learning opportunities. The County continues to play an active role in WOWC advocacy and projects.

## Attainable Housing

The County of Wellington recognizes that there is a need for attainable housing locally. This attainable housing shortage diminishes the ability of the County to retain and attract key business opportunities and residents that will support growth and economic development. In 2019, an Attainable Housing Strategy was prepared by Weston Consulting to explore ways to increase housing supply and mechanisms needed to encourage public and private sector organizations to build housing that is more affordable. Wellington County's Attainable Housing Taskforce includes staff from Planning, Social Services, Housing, Treasury, Economic Development and political representation from across Wellington County to undertake the review, validation and implementation of the Attainable Housing Strategy recommendations and move attainable housing forward.

## Actions to Date

- Establishing a County Attainable Housing Taskforce
- Updates to the County Official Plan to permit Additional Residential Units (ARUs)
- Updates to the County Official Plan to remove policy language emphasizing dominance of single detached housing
- Updates to the County Official Plan to support the use of a Community Planning Permit System (CPPS)
- Development of a Public Awareness Campaign to express the need for a variety of housing options in Wellington County, including public impact stories on the current housing climate within the County
- Development of local stories highlighting ARU examples and their importance towards greater gentle density
- Seeking out an attainable housing pilot project

## Additional residential units adding flexibility, affordability for residents

As low housing availability and high costs continue to pose challenges for families across the province, residents in Wellington County are increasingly looking to local Additional Dwelling Unit allowances to meet their housing needs.

By adding a secondary residence to their primary property, homeowners are enjoying having different generations closer together, avoiding the scarce rental housing market, and in some cases adding new income with rental properties of their own.

Colleen, a sales representative with Royal LePage RCH Realty in Arthur, says an unexpected demand for accessory dwelling units in the new Maple Ridge Estates 19-lot rural subdivision development in Kilmacworth led to an adjusted marketing strategy that focuses on promoting the option of a multi-residential building plan.

"I was getting a lot of inquiries for multi-generational housing from people coming from the GTA such as Toronto and Mississauga. We were surprised that it was such a strong point of interest. We talked it up," he says, noting that led to several commitments from customers for a two-for-one housing plan on the three-quarter to one-acre lots.

"In one example, the owners of a beautiful custom bungalow added a legal basement apartment as a source of rental income," he says. "Across the road, my brother-in-law and his wife in their early 40s live in the coach house beside their daughter and her new husband, who built a new bungalow."

His brother-in-law and family? They're never happier.

"Our daughter had just married, and it was a time when the average house was nearly a million dollars, and at 21-years-old, most people don't have that kind of money," laughs John Jansen.

"So, we discussed the option of building something together. My wife and I lived in Fergus, and the lot in Kilmacworth was large enough and zoned to accommodate a second residence. It was an easy decision for all of us," he says. Within two years, John and his wife were happily living in a brand-new 1,200 square foot home above the coach house complete with a deck, fully separate from the main 2,100 square foot house that is occupied by their daughter and her husband. Jansen, a contractor by trade but for smaller renovations and not full home builds, says the approvals with the municipality were not a hurdle, and that the biggest challenge was finding the right contractor because they were all busy. Arranging financing was also more complicated than usual because two parties were involved. "Banks weren't really doing that, so we initially found a private

On the other end of the multi-generational spectrum, adding a second residence on their home was ideal for Cheryl Vandepas and her husband John as they considered their options with Cheryl's elderly mother.

"We built our new house near Kilmacworth 11 years ago. On the other end of the multi-generational spectrum, adding a second residence on their home was ideal for Cheryl Vandepas and her husband John as they considered their options with Cheryl's elderly mother."

By creating a beautiful, fully self-contained 1,400 square foot two-bedroom home unit above the home's garage for Cheryl's mother, complete with her own kitchen, laundry, and even an elevator. Completing the project proved to be uncomplicated and easy to coordinate with the Township.

"Some of the building code specifications are different to ensure a fully operating separate residence, but it was easy to get everything in order and in the grand scheme of things it didn't cost a lot more than if we were just building our home," she says.

The arrangement has been ideal for everyone. "I'm the only sibling who is close by so it's been great to have her close. When it gets to the point when she requires more care, I can pop over to help out."

Realtor and Developer Jim Coffey doesn't see any signs that the demand for additional residential units will slow down any time soon.

He is working on another development, East Ridge Landing in Arthur, which will be a 217 home site when complete. The builder, Pinestone Construction, reports that numerous buyers are interested in additional residential units, says Coffey.

"They've been surprised with the extent of requests that are coming in from folks who are interested in an accessory unit in their new home. Adding legal basement apartments in existing properties is also on the rise. Our building department is very open and receptive to the process when it's done properly. They've been great to work with."

Demand is expected to remain high as ARUs become a source of income for homeowners, he notes. "Other builders call them the 'mountain helper' but whatever you call it, they're certainly helping people with the price of today's housing, these are going to be more common."

Specific allowances for additional residential units vary, however all municipalities in Wellington County allow for the creation of one or more additional dwelling units in an existing single detached home, as long as the total gross floor area of the additional dwelling unit or units are less than or equal to the existing dwelling.

If you are interested in renovating an existing home, or building a new home to accommodate an additional dwelling unit, consult your local municipality.

John Jansen and his wife designed and co-built two homes on their lot in Kilmacworth: mom and dad live above the coach house while their new-born daughter and her husband live in the main house.

Cheryl and John Vandepas added a garage to their Kilmacworth home, and above it a two-bedroom, 1,400 square foot residence complete with elevator for Cheryl's aging mother.

## Multi-generation family finds housing solutions right at home

When one Wellington County family faced challenges finding the right housing options in a tight real estate market, they looked no further than their own back (and side) yard for a solution.

## Smart Cities: Our Food Future

Our Food Future began in 2020 as a \$10 million federally-funded partnership with the City of Guelph, focused on building a regional circular food economy. Completed in December 2023, this project exceeded its original goals while attracting additional investment and partnerships.

**Funding + collaboration = impact**

The County remains committed to the opportunities for resilience which were made clear by this project.

- The final report from Our Food Future — Seeding Circularity in Communities — is available online at [foodfuture.ca](http://foodfuture.ca).
- The Experimental Acres Handbook was released in November 2023. This document codifies the County's innovative regenerative agriculture pilot as a template to be used by other municipalities to scale climate-target solutions.
- Guelph-Wellington has been chosen as the host location for North America's first Circular Economy Hotspot, a 4-day international conference expected to attract over 400 participants from a wide range of industry sectors. The event will run June 24-27, 2024.

## Ontario Food Cluster, Investment Attraction

As an agricultural community with many food businesses, the University of Guelph, favourable trade agreements and sector supports, the County represents its seven member municipalities within the Ontario Food Cluster. The OFC is a partnership of government and economic development organizations in southern Ontario that work together to develop sector strategies and attract agri-food company investment to the participating Ontario communities.

## Rural Broadband and Southwest Integrated Fibre Technology (SWIFT)

In 2011, the Western Wardens' initiated the SWIFT project with the goal of providing 3.5 million people across 350 Ontario communities with high-speed internet service. The County of Wellington is one of twenty municipal partners, building a total commitment of \$880,000 into our Economic Development budget over five years.

SWIFT projects in Wellington County began in 2020 and completed at the end of 2023. The routes have been executed with a total project value of \$12,969,036 and have offered service to 3,085 homes. The County is assisting with the commissioning phase of SWIFT, to ensure performance.

Current federal and provincial funding models promise fibreoptic broadband service completion by the end of 2025. In response, the County has formed a Rural Broadband Working Group to track expansion, and is running a public information campaign encouraging home speed tests in order to understand where improved services are needed. By collecting data to map these gains and gaps, we can direct expansion by Internet Service Providers to areas where it is most needed.

Residents can find resources and support at [www.wellington.ca/internet](http://www.wellington.ca/internet).

## RIDE WELL Rural Transportation Programme

RIDE WELL is a demand-based, rideshare transit service that provides transportation for Wellington County residents and visitors is supported by the RideCo technology platform. In 2018, the County of Wellington was awarded a \$499,500 MTO Community Transportation Grant over a five-year period to pilot the RIDE WELL rural transit programme. In 2021, an additional \$242,000 was awarded to extend the programme to March 31, 2025.

The RIDE WELL service officially launched on October 1, 2019, and has grown year-over-year. In 2020 the service provided 2,248 rides, in 2021 the service provided 4,572 rides, in 2022 the service provided 5,776 rides, and in 2023 the service provided 8,861 rides. RIDE WELL offers door-to-door service in Wellington County and pick-up or drop-off into the City of Guelph for rides that start or end in Wellington County. The service operates from Monday to Friday, from 6:00 a.m. to 7:00 p.m. and rides can be booked through the RIDE WELL app, on the website, or by calling RIDE WELL phone operators.

# Organizational Structure

The County of Wellington has the Chief Administrative Officer (CAO) system of management. The CAO reports to the Warden and Council on all major initiatives and issues affecting the County. The Chief Administrative Officer attends all Council, Standing Committee, Police Services Board and Library Board meetings and provides advice and information on operations as requires. The CAO ensures that direction from County Council, its Committees and Boards is implemented in conformity with applicable County policy, and Provincial and Federal legislation and regulations.

The Chief Administrative Officer has overall responsibility for the County's operating departments. Department Heads, the County Clerk, the County Construction and Property Manager and the Communications Manager are responsible for the day-to-day operations of the departments and report directly to the CAO.

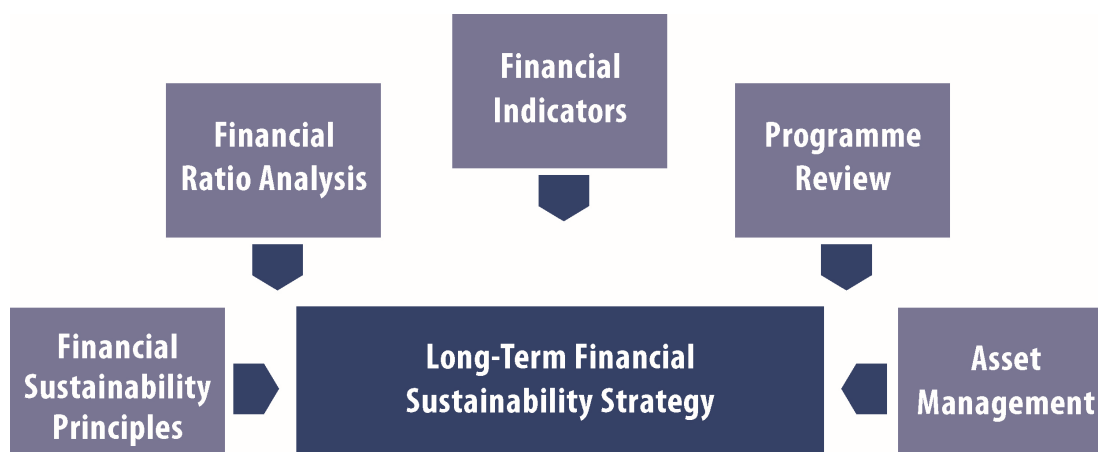

# Long-Term Financial Sustainability Strategy

The County of Wellington's Long-Term Financial Sustainability Strategy applies a prudent and integrated financial planning approach to identify and manage risks to the County's long-term financial health. The Strategy builds on existing financial planning practices and applies a more comprehensive and integrated approach to risk management.

The Long-Term Financial Sustainability Strategy provides Council with a tool to help make decisions about policies, services and other significant matters that impact the financial health of the County. It is guided by a set of nine financial principles that support the three pillars of financial resiliency (financial sustainability, financial vulnerability and financial flexibility).

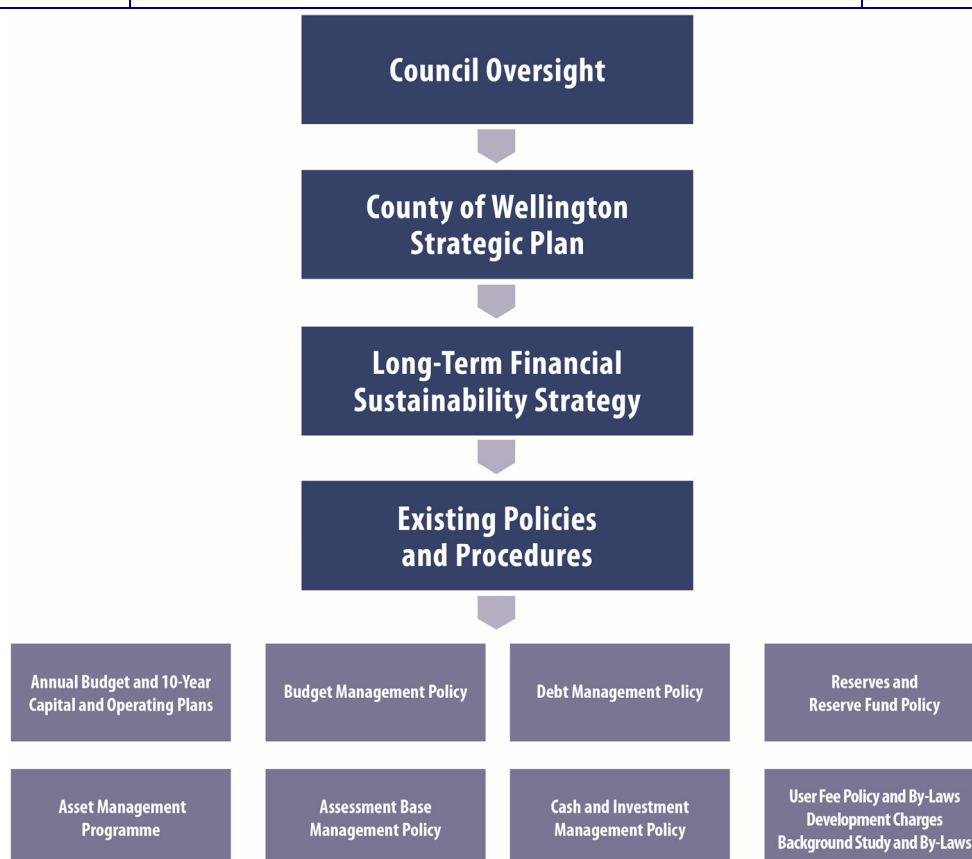

The Long-Term Financial Sustainability Strategy is iterative, and needs to be reviewed regularly to ensure that it accurately reflects the current position and future needs of the County. The review of the Long-Term Financial Plan incorporates budget variances, asset management needs, and programme evaluations, to ensure that County is able to deliver excellence in service provision and value for money. More information on the nine pillars of financial resiliency, as well as the ways in which we are integrating the Long Term Financial Sustainability Strategy into our existing practices, can be found on the County of Wellington website.

# Financial Policies

The following policies and processes collectively make up the comprehensive financial policy followed by the County. They are integrated into the Long-Term Financial Sustainability Strategy, and the Strategic Action Plan.

Financial Resiliency		
Financial Sustainability	Financial Vulnerability	Financial Flexibility
Budget and 10-Year Plan Asset Management Plan Reserves and Reserve Fund Policy	Assessment Base Management Policy Cash and Investment Management Policy User Fee Policy and By-Laws Development Charges Background Study and By-Laws	Debt Management Policy Credit Rating Reviews Maintenance of Liquidity

## Basis of Budgeting

The budget provides for the costs of all programmes provided by the County, debt payments required during the year, capital project expenses, contributions to reserve funds, and any contingencies and provisions for tax rate stabilization. The budget also includes landfill site closure and post-closure expenses (both operating and capital) as well as a transfer to the landfill closure and post-closure reserve fund.

The County of Wellington approves its annual operating and capital budgets using the modified accrual basis of accounting. The County's annual financial statements are produced on a full accrual basis. In accordance with Ontario Regulation 284/09, the County excludes amortization (a non-cash expense) and future post-employment benefit expenses, but includes the current year's expense for eligible retired employees. The modified accrual basis of accounting provides the best measure of determining the annual tax levy requirement and a meaningful comparison of budget to actual results. Staff reconcile the budget to a full accrual basis in the annual financial report, as well as in the consolidated budget statement at the beginning of this Budget Book.

## **Assessment Base Management Policy**

Recognizing that the property tax is the single most important source of revenue for municipalities, it is essential that a high quality assessment base be maintained. The purpose of the Assessment Base Management (ABM) Policy is to promote greater equity, fairness and transparency of the assessment base. The ABM identifies processes, practices and guiding principles that inform the County's efforts to maintain, protect and enhance the quality of the assessment roll. This includes reviewing the accuracy of individual assessments and ultimately, ensuring the equitable distribution of the tax burden.

## **Asset Retirement Obligation Policy**

The Asset Retirement Obligation - Public Sector Accounting Board (PSAB) 3280 is a new accounting standard developed to guide public sector entities on how to account for and report legal obligations associated with the retirement of tangible capital assets. The objective of this policy is to stipulate the accounting treatment for asset retirement obligations (ARO) so that users of the financial reports can discern information about these assets, and their end-of-life obligations. The principal issues in accounting for ARO's is the recognition and measurement of these obligations.

## **Balanced Budget**

In accordance with s. 289 of the Municipal Act, the County is required not to plan for a deficit. The operating budget is balanced when all budgeted revenues equal expenditures. Any shortfalls in budgeted revenues over expenditures form part of the tax levy. The budget is monitored and controlled to strengthen year-end results and to ensure a balanced budget.

## **Budget Management Policy**

The purpose of the policy is to ensure the long-term financial sustainability of the corporation by setting parameters for the development and ongoing management of the annual budget and capital forecast for the County. The policy establishes the authority and process for developing, reviewing, approving and amending the budget and ten-year plan; establishes the form and timing of operating and capital budget variance reporting to all Standing Committees of Council; and promotes a long-term approach to the use of surplus operating funds.

## **Cash and Investment Management Policy**

This policy supports the prudent management of the County's surplus funds and investment portfolio. It aims to optimize the utilization of cash resources while maintaining compliance with statutory limitations, protecting and preserving invested capital, and maintaining liquidity to meet the County's ongoing financial requirements. The objectives for investing surplus funds are ranked as follows: (a) adherence to statutory requirements; (b) preservation of capital; (c) maintenance of liquidity; (d) diversification; (e) competitive rate of return.

# Financial Policies

## Debt Management Policy

This policy establishes the principles governing the financing of the County's long-term infrastructure and facility requirements. The policy also establishes the process for evaluating potential lease financing arrangements and reporting the results to Council. It ensures the long-term financial sustainability of capital project financing.

This policy also provides a debt management framework that establishes debt limits, debt structuring and debt issuance procedures in accordance with industry best practices.

## Development Charges By-Law

Development charges are collected to assist in financing capital projects required to meet the increased need for services resulting from growth and development and are collected in accordance with by-law number 5759-22.

## Property Tax Policy

The County approves an updated property tax policy document annually in accordance with the Municipal Act. Annual property tax decisions establish the level of taxation for the various classes of properties including tax ratios, discounts, and rates. The policy includes tax relief programmes including those for low-income seniors and disabled persons, charitable tax rebate programme and exemptions for legion properties. It also establishes capping options on multi-residential, commercial and industrial properties.

## Purchasing Policy

The policy promotes and maintains the integrity of the purchasing process to obtain the right goods and services when needed while achieving the best value through a fair and competitive process. The objective of the Purchasing Policy is to achieve consistency, efficiency and competitiveness in the procurement of goods and services.

## Reserve and Reserve Funds Policy

This policy establishes the principles regarding the creation, funding, use and closing of reserves and reserve funds. The policy ensures that reserves and reserve funds are used strategically to mitigate significant increases in tax rates; provide financing for extraordinary expenditures; ensure adequate and sustainable cash flows; make provisions for the replacement and renewal of assets; provide funding flexibility and reduce reliance on long-term debt; sets aside funds for future liabilities incurred in the current year but paid for in the future; and segregates funds received for a specific purpose.

## User Fee Policy

This policy provides a framework to ensure a consistent approach for establishing user fees, and to improve consistency, transparency, efficiency and accountability in establishing and managing fees.

# Budget Process

The County of Wellington begins the budget process in the fall of each year with County departments submitting major ten-year operating budget items, draft ten-year operating forecasts and proposed user fees to the Treasury Department. The Treasury Department then prepares a Preliminary Budget and Ten-Year Forecast of the Operating Budget, Tax Rates, and Capital Budget.

After several reviews, the County holds a special meeting of County Council in early January to review the ten-year plan and the budget. Throughout January, Committee and Board reviews of the budget and ten-year plan takes place. The Administration, Finance, and Human Resources (AF and HR) Committee has the responsibility for reviewing all budget recommendations from other Standing Committees and the Police Services Board, and has the sole responsibility for recommending budgets and budget amendments to County Council. The process ends by late January, with the final Council review and approval of the budget and ten-year projection. The approved budget is a product of all the hard work performed by staff and Council and the County of Wellington.

# Budget Process

## Public Input

The general public has many opportunities to ask any questions and express their ideas or concerns, as all Committee, Board, and Council meetings are open to the public to attend. Prior to any open meetings, notification of the meeting as well as the meeting agenda are posted on the County of Wellington website. A critical step in the budget process is the special meeting of the County Council to review the proposed budget as well as the Ten-Year Plan. This meeting is open to the public, allowing for considerable transparency and providing a complete picture of the proposed County budget to the public.

## Budget Amendment Procedures

1. The Standing Committees and Police Services Board make recommendations to the AF and HR Committee regarding budget amendments for the services under their direct jurisdiction.
2. The AF and HR Committee reviews and may return for more consideration, budget amendments from the Standing Committees and the Police Services Board; the Committee also reviews budget amendments for departments and services under its direct jurisdiction.
3. The AF and HR Committee recommends all budget amendments to County Council.

## Operating Budget

The Operating Budget is amended only under exceptional circumstances which require a change to the County tax rate. All other deviations from the originally approved budget are treated as in-year variances and reported to Council in accordance with the Budget Management Policy, and are not subject to the public notification provisions of Section 291 of the Municipal Act.

## Capital Budget

Refers to any adjustments made to the proposed expenditures and sources of financing for capital works. This would typically occur at the time project tenders are awarded. At the time of tender, the Department Head in conjunction with the Treasury Department will prepare a capital project expenditure and financing schedule. This will identify all expenditures and sources of financing.

## 2024 BUDGET AND TEN YEAR PLAN

# Section 2

# Budget Overview

At the January 25 County Council meeting, Wellington County Council adopted its 2024 budget with a 4.6% increase to the County portion of property taxes. The County continues to feel the cost impacts from inflation as well as changes to provincial funding models including the Ontario Community Infrastructure Fund. These budgetary pressures have been mitigated through a commitment to long term financial planning and reserve management. This budget protects core services and makes significant investments in infrastructure, housing, ambulance, long-term care, and the Ride Well Rural Transit Service.

Highlights include:

- \$37.4 million in roads capital infrastructure and public works facilities including the construction of the new public works garage in Arthur and funding for the reconstruction of the first of four bridges on Wellington Road 109
- Facility upgrades at the Elora and Rothsay Transfer Stations, providing similar infrastructure, working conditions and patron experience to the other four County waste facilities
- Construction of the new Erin Library Branch
- Capital investment for 24 new emergency shelter beds and 12 transitional housing units at 23 Gordon Street in Guelph. This project is supported by the Governments of Canada and Ontario.
- Ambulance service expansion including the addition of nine new paramedics to improve response times.
- Enhanced direct care hours at the Wellington Terrace Long-Term Care Home, supported by the Government of Ontario.
- Increased service levels for Ride Well Rural Transit Service to provide additional availability for residents in need

# Budget Overview: Challenges

## Challenges Facing Wellington

Wellington County is facing challenges common to many rural municipalities including: inconsistent financial support from upper levels of government, infrastructure renewal requirements with a large geographic area and low population density, and a changing demographic profile. The County is committed to delivering services that residents have come to expect, while meeting long-term objectives for infrastructure maintenance and investment in growth.

County Council and staff are taking a proactive approach to addressing these challenges. Solutions will require working with the federal and provincial governments to deal with structural policy issues. The County has adapted to some of the challenges internally, and are taking proactive measures to protect our residents and businesses.

## Challenge: Providing the Highest Level and Best Quality Services

Wellington County, like many other rural municipalities, must self-fund the farm tax rebate and the conservation land exemption governed by the province. These programmes were previously shared among all citizens of Ontario. The Community Reinvestment Fund (CRF) and its replacement, the Ontario Municipal Partnership Fund (OMPF) were created to help offset these costs to rural municipalities. Since 2012, the County's OMPF funding has dropped by over 85% or just over \$4.0 million, which has been supplemented by increases in the County property tax levy.

### Solution: Budgetary Adjustments

The 2024 Budget incorporates a further 15% drop in OMPF funding from 2023 (\$118,100). Council and staff have built the declining OMPF funding into our forecast and have been able to offset these decreases by finding operational efficiencies and other savings to the extent possible. Also helping to partially offset the drops in OMPF funding is the upload of social assistance costs to the province.

# Farm Tax Rebate

## What is it?

Prior to 1998, properties assessed as farmland paid 100% of their assessed property tax and then filed an application to receive a 75% rebate, paid directly by the province.

Since 1998, the tax ratio for farmland was changed to 0.25, meaning that landowners pay property taxes on only 25% of the assessed value of their property.

The remaining 75% is shared by all other property classes in rural municipalities, and makes up the farm tax rebate. Under the old system, this cost would have been shared province-wide through income taxes.

## Implications for Rural Municipalities

The Ontario Municipal Partnership Fund (OMPF) was supposed to cover the cost of the farm tax rebate through a grant programme for rural municipalities.

The shift in taxes from farmland assessment to other property taxes is worth approximately **\$48.3 million per year**.

Wellington and its member municipalities now receive only **\$6.0 million in OMPF funding** annually.

The difference of roughly **\$42.3 million** is shifted onto other property classes. This works out to an average cost of **\$1,275 per non-farm property owner** to fund the farm tax rebate.

Urban municipalities, including those that border Wellington, do not share in this cost to the same extent. This creates challenges for Wellington to have comparable property tax rates to our urban neighbours.

# Budget Overview: Challenges

## **Challenge:** Residual impacts from 40-Year Inflationary Highs and Provincial Legislative Changes

The inflationary pressures experienced in 2023 have begun to level off and the Bank of Canada interest rate increases have brought inflation slowly closer to historical norms. However, the increased prices to goods, services and in particular construction prices remain a significant financial burden for all levels of government. While inflation has slowed, the cost of services that the County delivers now incorporates the higher amounts established during the inflationary period. The Consumer Price Index for Ontario averaged 3.8% in 2023 (low of 2.6% in June, high of 5.7% in January). Construction prices increased by double digits for the seven consecutive quarters and were at 9% through 3 quarters of 2023. The cost to complete construction of a facility or roads related construction can be expected to be significantly higher than a similar project only one year later.

The province introduced legislative and funding model changes that has significant impacts on the County's ability to fund its capital budget. These changes were communicated in November and December of 2022 and continue to impact forecasted infrastructure planning.

The More Homes Built Faster Act has significantly impacted municipalities' ability to collect development charges (DCs) and will shift the cost of growth from developers to property taxpayers. Bill 134 proposals and the affordable housing exemption put forward in Bill 23, will have a significant impact on municipal development charge revenues. Currently the County's Official Plan has a target for residential development to be 25% affordable. If 25% to 35% of new residential development will be affordable housing, a conservative development charge revenue reduction estimate over the next ten years would be \$11.8 million to \$19.7 million respectively. These changes will create pressure on the County's reserves to make up the difference and will add additional costs to the tax levy in the years ahead.

Changes to the Ontario Community Infrastructure Fund (OCIF) results in a significant redistribution and reduction to infrastructure funding amongst Wellington County municipalities. The County's 2024 allocation has been reduced by just under \$500,000 annually. This results in a loss of \$5.0 million in capital funding over the next 10-years and the County needed to adjust its tax levy contribution to capital reserves to account for the difference.

## **Solution:** Reserve Fund Management and Long Term Financial Sustainability Planning

The County's approach of fully funding the capital budget through reserves, rather than direct transfers from the tax levy has allowed the County to absorb some of the larger inflationary impacts over a two-to-three year period rather than facing them all at once.

The County's 2024 budget and 10 year forecast continues a strong commitment towards healthy reserve balances and contributions in current years budgets towards reserves in order to be in a position to mitigate significant changes to the external financial landscape in future years. This judicious approach to long-term financial management has put the County in a position to draw on reserves in 2024 to mitigate the tax levy impact of legislative changes for residents.

# Budget Overview: Challenges

## Challenge: Planning For, and Providing, the Best Physical Infrastructure

Wellington County has a land area of 2,600 km<sup>2</sup> and a population density of 39.6 per square kilometer. Since our population is spread out over a larger geographic area, more

infrastructure is required to connect the County, and the maintenance of this infrastructure is funded by fewer people than in more urban centres. Further, private investment in infrastructure, such as fibre optics, is not always possible as the return on investment is not as high as in more populous regions.

## Solution: Connecting People and Managing Assets

The County owns and operates over \$1.3 billion in assets that deliver continued services to the community, and is responsible for the maintenance of these assets. Wellington's large amount of physical infrastructure and relatively low population density makes it critical for the County to plan ahead for its infrastructure requirements.

Municipalities own over 60% of all public infrastructure and receive only nine cents of every tax dollar collected. This requires the County to fund infrastructure improvements with limited finances. Building and maintaining infrastructure is a key objective for the County and is achieved by applying sound asset management practices, conducting regular inspections, prioritizing work needs, taking inventory of what the County owns, monitoring and reporting on asset condition and preparing appropriate asset renewal projections and programmes to address renewal needs. The County has developed a strategic asset management policy and completed the Asset Management Plan for Core Assets in compliance with the provincial regulation Asset Management Planning for Municipal Infrastructure. In addition, the County has produced Annual State of Infrastructure reports in the interim years where Asset Management Plans are not required under the legislation. The 2024 Budget and Ten-Year Plan includes \$574.2 million for infrastructure-related capital requirements over the next 10 years.

To offset some of the pressure faced by municipalities in addressing the infrastructure funding gap, the province continues the Ontario Community Infrastructure Funding (OCIF) in 2024. The funding amount to the County has been further reduced by close to \$500,000 in 2024, it remains an integral source of funds projects now as well as in future years budgets.

The County has contributed \$880,000 of funding in prior years budgets for rural broadband improvements to assist in providing enhanced internet service and connectivity for its residents and businesses. This has resulted in enhanced service and reliability across the rural geographic areas within the County.

The County believes with anticipated assistance from the federal and provincial governments, and private investment, will be enough to support improved rural broadband service in the coming years.

# Budget Overview: Challenges

## Challenge: Changing Demographics

Canada's demographics are changing over time, as the Baby Boomer generation enters retirement. An aging population increases the demand for a range of County services including access to hospitals, paramedics, public health, long-term care and affordable housing. Aging demographics and hospital infrastructure puts pressure on the County to renew and expand its three hospital facilities to keep pace with current and future demands and remain economically competitive.

Despite not being a traditional municipal funding responsibility, the Ministry of Health requires that local communities financially support redevelopment costs. Currently the province covers 90% of the costs of "bricks and mortar," but requires the community to make a 10% contribution to redevelopment costs and to cover all equipment, technology, land purchase, servicing, and roads development.

## Solution: Improve Healthcare Facilities and Ambulance Response Times

The County has completed an initial design and costing for the development of a Continuum of Care retirement community campus at Wellington Place, the site of the Wellington Terrace, which is the County's long-term care home. The plan involves developing additional facilities to create a campus lifestyle, and includes assisted living, supportive and affordable housing, as well as life lease properties for seniors. Opportunities to advance this project continue to be sought out.

The 2024 budget continues to include a significant investment by the provincial government to support Long Term Care. The objective of this funding is to increase direct hours of care to four hours per resident per day by 2024-25, and to increase the average working hours of allied health professionals to 36 minutes per resident per day.

The City of Guelph is the delivery agent of Land Ambulance services in Guelph and Wellington County. An Ambulance Master Plan has been completed, which forecasts significant increases in demand for services and presents opportunities for response time improvements within the County by relocating and rebuilding some

of the ambulance station facilities. The County's capital forecast includes a proposal to build five new ambulance stations, and a sixth facility outside the forecast, and lease them back to the City. An updated feasibility study will determine the timing of this investment. The 2024 operating budget includes funding to support nine new paramedics with an additional nine planned for 2026.

The County committed \$14.4 million to support each of the three county hospitals over the period of 2014-2021: Groves Memorial Hospital in Fergus, Louise Marshall Hospital in Mount Forest and Palmerston and District Community Hospital.

# Budget Overview: Challenges

## **Challenge:** Addressing a Rise in Homelessness and Decreased Housing Affordability

Across Canada governments are facing a rise in homelessness and the appearance of encampments in most cities. There is also a significant decrease in housing affordability as the population is increasing at a faster rate than our ability to build housing. In short, the demand for housing is exceeding the supply. From a social services perspective, this brings a number of challenges. First, the cost to attain home ownership and secure rental housing continues to rise at a rate faster than income levels. This puts individuals and families at lower-income levels in a precarious situation. Ontario Works assistance rates have not increased since 2018. With rental rates rising, this means that municipalities are having to provide deeper subsidies to those on assistance to keep families housed. Second, housing stock is limited. Vacancy rates have remained low for the last several years giving residents few options when searching for accommodations. Those in social housing may struggle to move beyond their current situation because other affordable options are simply not available. Finally, limited health funding makes supporting those in our community with mental health and addictions concerns challenging. Residents with these types of increased needs have challenges being placed in traditional housing. Supportive and transitional housing options are required in the community and they must be appropriately staffed though the Ministry of Health. The County's resources have been stretched to the limit as it attempts to address the social and economic impact of a housing and homelessness crisis.

**Solution:** Increase the transitional and supportive housing supply and continue to advocate to all levels of government for appropriate funding levels.

The County continues to support the community by increasing housing options with the use of funding from senior levels of government. The County has committed \$10.6 million in capital funding towards the 65 Delhi Street Transitional Housing project in Guelph that will provide housing and support for chronically homeless persons. An additional \$3.9 million has been committed to increase the number of emergency shelter beds and creating new transitional housing spaces at the Welcome-In Drop in Centre (Stepping Stone) in Guelph. In addition, the County plans to spend \$57.1 million over the next ten years on County-owned social housing units across Guelph and Wellington to ensure that the existing housing stock is adequately maintained.

The operating budget also includes an increase of \$4.1 million to address the significant pressures that are being faced by the homelessness system. This investment allows for increased supports for emergency shelters, new supportive and transitional housing spaces, improved wages in shelter systems, providing stability and a greater number of rent supplements.

County Council continues to work closely with the City of Guelph to ensure that advocacy to senior levels of government is coordinated and consistent.

# Budget Overview: Challenges

## **Challenge:** Climate Change and Environmental Concerns

To truly act on the changing climate, the County is moving towards institutionalizing climate action by integrating climate considerations into our daily decisions. Moreover, as a best practice, the County is taking a holistic approach to solving problems which affords opportunity to multi-solve. That is, addressing several concerns through each singular initiative. For instance, many urban municipalities are diversifying mobility options which offers opportunity to solve air quality concerns, promote healthy lifestyle recommendations, alleviate land use planning constraints, remove barriers to equity, and achieve greenhouse gas reduction targets. A holistic approach results in incremental progress through small-scale actions nested within a larger frameworks or visions. Further, the holistic approach, whereby multidisciplinary teams assess challenges from several perspectives, results in meaningful systemic changes that can solve compounding and additive effects resulting from the interaction of multiple challenges.

## **Solution:** Cross-disciplinary Teams

The County is investing in several initiatives through the 2024 budget that provide opportunity to multi-solve and will require cross-disciplinary input:

**Green Development Standards (GDS):** The GDS pulls together building inspectors, planners, developers, utilities, transportation experts, and others to establish new pathways and processes to reduce greenhouse gas emissions in new buildings and transportation through energy efficiency standards and community design. A multi-disciplinary approach will also seek ways to improve air pollution, address housing affordability, and remove barriers to equity.

**Home Energy Efficiency Transition (HEET):** The HEET programme design seeks to support homeowners' desire to reduce greenhouse gas emissions from existing homes. The County's Climate Change Division is working with Social Services, Treasury and energy and equity consultants to identify meaningful measures and approaches to energy efficiency and affordability for lower income homeowners, including testing the value of an Energy Coach service to improve engagement and uptake.

**Climate Change Adaptation Plan:** An adaptation plan will lay out a pathway for the County to prepare for the changing climate. The plan will examine the County's service areas to determine best approaches for service level continuity. The cascading and additive impacts of climate change will require system thinking across disciplines to ensure actions do not inadvertently stress interconnected systems.

# Budget Overview: Challenges

## **Challenge:** Extremely Low Assessment and Property Taxes Received from the Aggregate Industry

Following the decisions of the Assessment Review Board in 2021 and the Ontario Divisional Court in 2023, the Municipal Property Assessment Corporation (MPAC) has implemented changes for the 2024 taxation year in terms of how it assesses and classifies aggregate producing properties to come into compliance with the provisions of the *Assessment Act*.

Led by the County of Wellington, municipalities filed hundreds of appeals for the 2017-2023 assessments. The purpose of the appeals was to ensure that aggregate producing properties are assessed by MPAC to be closer to the properties current value and are classified in accordance with legislation.

The decisions from the Assessment Review Board (ARB) and the Ontario Divisional Court confirm that the assessment regime for aggregate-producing properties has been deeply flawed and contrary to the legislation. From the municipalities' perspective, this decision is a modest win. The ultimate outcome—to raise the valuation of the industrial parts of aggregate properties from approximately \$9,200/acre to \$15,080/acre—continues several assessment issues. For example, these properties continue to be undervalued. Ultimately, the assessment of aggregate properties continues to ignore market factors that usually determine the current value of a property. This is particularly problematic for municipalities, as there are several aggregate sites located in prime industrial locations (being near urban centres and/or the provincial highway network). In Wellington County, this means that gravel pits located in an industrial park in Puslinch, are valued the same way as pits in rural areas of the County. As a result, adjacent industrial properties lands are being valued at more than ten times the price of its next-door, comparable gravel pit neighbour—creating inequities in the assessment base, and ultimately the amount of taxes these similar-sized businesses have to pay.

## **Solution:** Membership in TAPMO and Continued Advocacy for Tax Fairness

As a member of the Top Aggregate Producing Municipalities of Ontario (TAPMO), the County has continued to work with other municipalities to ensure consistency and fairness so that aggregate producing properties do not have unfair tax advantages to other businesses.

TAPMO will continue to advocate on behalf of its member municipalities and ultimately, it's residents and businesses to ensure that the assessment regime does not benefit the aggregate industry by facilitating tax avoidance and other unintended benefits for aggregate owners to the detriment of all other taxpayers in the province who must, then take on more of a tax burden.

# Executive Summary - Operating Budget

## 2024 Operating Budget Revenues

**\$301.4 Million**

Property taxes make up 47% of the County's revenues, followed by grants and subsidies totalling 33%. Municipal recoveries amounting to 9% are the next largest revenue source for the County.

## 2024 OPERATING BUDGET REVENUES

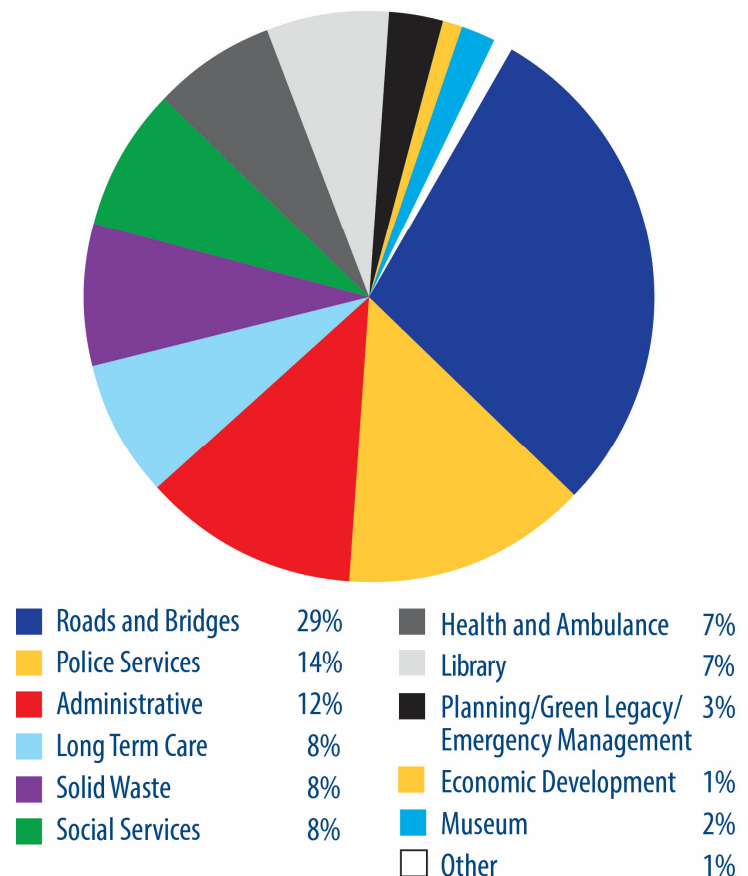

## 2024 County Property Tax Requirement

**\$128.8 Million**

Property taxes remain the County's largest and most important source of revenue. Approximately 43% of property tax dollars go to two services: roads and policing. Social services, long-term care, solid waste services and health and ambulance services make up another 31%.

All other services including the County library system, museum and archives, economic development, planning, green legacy and emergency management, and administration make up the remainder.

## 2024 COUNTY PROPERTY TAX REQUIREMENT

# Operating Budget - Revenue Sources

County revenues are estimated based on federal/provincial funding announcements, estimated caseload and service levels (grants and subsidies) as well as adherence to cost sharing agreements for shared services with the City of Guelph (municipal recoveries). Rental revenues are based on rent-geared to income subsidy calculations for our social housing tenants and lease agreements with the province. Resident co-payment fees at our long-term care home are based on standards provided by the Ministry of Health and Long-Term Care. The following are major revenue sources for the County of Wellington:

## Grants and Subsidies

Grants and subsidies anticipated to be received by the County in 2024 total just under \$101.4 million. Most of the subsidies received (\$84.1 million) are for the delivery of social services (Ontario Works, Child Care, Housing and Affordable Housing) as well as subsidies for operating the County's long-term care home, the Wellington Terrace (\$14.1 million). Much of the subsidies received for Social Services are received for services in the City of Guelph (\$63.6 million) for which the County delivers these programmes on their behalf in its role as Consolidated Municipal Service Manager (CMSM). This means that the County-only portion of these grants is \$20.5 million. Smaller grant and subsidy amounts are received for police, solid waste services, libraries and museum as well as the Ontario Municipal Partnership Fund (OMPF) grant. Other grants are received on a case-by-case basis.

## Municipal Recoveries

The bulk of municipal recoveries (over \$30.5 million annually) are received from the City of Guelph for their share of Ontario Works, Child Care Services and Social Housing operating programmes (\$28.4 million). As well as \$283,300 estimated net fine revenue from the POA court services administered by the City of Guelph. A smaller amount of revenue is received from other municipalities (\$1.4 million) mainly for roads maintenance activities on boundary roads. Smaller recovery amounts are received for planning services and library agreements with neighbouring municipalities.

## Building Rental Revenue

Most of the County's building rental revenue is from tenants of the County's directly owned social housing units. Other building rental revenue consists of agreements with the province for the rental of the Courthouse, Crown Attorney's office and space for Provincial OPP officers at some of the County's directly owned OPP stations.

## User Fees and Charges

Primarily consist of resident co-payment fees at the Wellington Terrace (\$4.7 million), curbside user pay bag fees (\$2.0 million) and tipping fees at County landfill sites and transfer stations (\$1.8 million). Other user fees include planning and land division application fees (\$1.2 million), parent fees for the provision of child care (\$0.8 million) at the County's five directly operated child care centres, and solar panel revenues (\$0.2 million).

## Other Revenue

Other revenue primarily consists of interest earnings on the County's long-term investment portfolio.

# Operating Budget - Expenditures

## 2024 Operating Budget Expenditures - \$301.4 million

### Salaries, Wages and Benefits

Consists of compensation costs for the County's over 1000 employees. This includes overtime, shift and standby premiums, vacation pay, clothing allowances as well as the County's share of employee paid benefits.

### Supplies, Materials and Equipment

Includes the purchase of tangible supplies, materials and equipment for the provision of services within County departments. Major items include sand, salt and de-icer expenses; parts and fuel for County vehicles and equipment; food purchases at the County's long-term care home; operating supplies for directly-operated child care programmes; purchase of library circulation materials; computer hardware; and furniture, fixtures and equipment at County facilities.

### Purchased Services

Includes contracted services paid to external agencies and organizations. Major items include professional and legal fees; property assessment; recyclables processing; curbside collection; maintenance services for County and housing facilities; software and hardware maintenance and licensing; utilities and taxes; as well as building rental costs.

## 2024 OPERATING BUDGET EXPENDITURES

# Operating Budget - Expenditures

## **Social Assistance**

Payments made to social services clients, community agencies and providers for income support; provision of child care services and social housing.

## **Transfer Payments**

Consists of payments made to the province or provincial agencies, other municipalities for service delivery as well as grants to individuals and organizations. Major items include the Ontario Provincial Police (OPP) contract; mortgage payments to the province for social housing units; the Land Ambulance contract with the City of Guelph; payments to the Wellington-Dufferin-Guelph Public Health Unit; Rural Water Quality grants; and grant programmes for our member municipalities for Economic Development, and Accessibility.

## **Insurance and Financial**

Includes building, equipment, vehicle and liability insurance for County facilities, officials and interests as well as accruals for short-term disability and WSIB self insurance. Financial expenses include provisions for property tax and general write-offs; collections expenses; bank charges and interest; debt issuance; and retailer compensation for the sale of user-pay bags.

## **Minor Capital Expenses**

Includes building and facility upgrades of a one-time nature that don't meet County capital thresholds; roads and bridge repairs of a minor nature, guide rails and traffic related studies.

## **Internal Charges**

Internal service and corporate allocations for the provision of services to other County departments. Major items include roads equipment charges; tipping fees and user pay bags; allocations within social services for appropriate contract provisions; and central administration charges to social services and long-term care in accordance with existing agreements.

## **Debt Charges**

Principal and interest payments for the County's long-term debt. Includes amounts for both tax and growth supported debt. More information on County debt and debt servicing charges can be found on pages 33-34.

## **Transfers to/from Reserves and Reserve Funds**

Since the County budgets on a "fund accounting" basis; these transfers encompass transfers to and from the County's operating and reserves and reserve funds. Each fund has its own assets and liabilities and raises or is granted its own money for its own purposes and records its own expenditures. The transfers end up balancing out within all funds. Separate fund accounting provides for an increased level of control over the assets of the fund so that assets aren't inadvertently used for another fund.

# Executive Summary - Capital Budget

## 2024 CAPITAL EXPENDITURES BY DEPARTMENT

Other includes: Planning, County Property, Early Child Care, Ontario Works, Long Term Care, and Provincial Offences Act Administration

## 2024 Capital Budget and Ten-Year Forecast

The County's 2024 capital budget totals \$75.6 million. The County's investment in its roadway network and social and affordable housing make up 77% of the current year's capital budget. Of the current year's capital budget, 48.1% is funded through own source revenues. The remainder is funded through the Canada Community Building Fund, provincial and federal subsidies, municipal recoveries, development charges and growth related debentures.

Major capital projects for the current year include:

- \$37.3 million in its existing network of roads, bridges, culverts and roads related equipment and facilities.
- \$20.5 million in capital repairs and enhancements within its social and affordable housing units,
- \$7.3 million for the construction of a new Erin Library Branch (\$12.9 million total project cost).

The Ten-Year Capital Plan invests \$574.8 million in infrastructure and equipment. This includes the design and construction of four ambulance stations, the development of Riverstown landfill, construction of the new Erin library branch, further investment in social housing and roads including \$66.1 million to complete the design and construction of four public works facilities.

## 2024 CAPITAL FUNDING SOURCES

## 2024 Estimated Capital Cash Flow (in \$M)

Capital Projects Carry-Forward from 2023 (A)	2024 Capital Budget (B)	Total Capital in 2024 (A+B)	2024 Projected Cash Flow
74.70	74.99	149.69	89.82

The table above shows the County's estimated projected cash flow for 2024.

Major capital projects can take years to complete and projected capital expenditures relate to work in process from previously approved capital budgets as well as current year spending.

Adequate financing is in place to fund the 2024 projected capital cash flow of 89.82 million.

# Capital Budget - Funding Sources

The County of Wellington's capital budget and ten-year plan is supported by several sources of revenue, which include reserves, recoveries from other municipalities, Canada Community Building Fund, provincial subsidy, and development charges. Capital revenue sources are described below.

## Reserves

The County funds its capital budget predominately through capital reserves providing stable, predictable, long-term, sustainable funding. Budgeted operating transfers to reserve helps to smooth the impact on the tax levy.

## Recoveries

Recoveries from other municipalities are budgeted for shared projects. The largest portion of the recoveries are for projects in Social Services where the County provides services on behalf of the City of Guelph, and in the roads department where capital works on boundary roads and bridges are shared with neighbouring municipalities.

## Canada Community Building Fund

The County has planned to utilize \$27.6 million in Canada Community Building Funding on asset management and infrastructure improvements to its network of roads, bridges and culverts over the next ten years. Projects include: the annual pavement preservation programme, two bridge and culvert projects, six road construction and resurfacing projects. The complete list of Canada Community Building funded projects is shown in the table on the following pages.

## Ontario Community Infrastructure Fund

The provincial subsidy revenues identified are from the Ontario Community Infrastructure Fund (OCIF) formula-based funding. The Province has revised the formula used to distribute funding to municipalities, resulting in a reduction in annual funding of over \$480,000 to the County. The County's allocation is \$2.8 million in 2024. Staff have assumed this level of funding will continue to decline to 2027, after which the funding level is maintained through to 2033. The complete list of OCIF funded projects is shown on the following pages. Projects include: nine roads and resurfacing projects, six bridges and one culvert.

## Development Charges

Development charges are used to fund growth related capital and are determined through the development charge background study in accordance with the County's development charge by-law 5759-22 which was approved on May 26, 2022. The mandatory phase-in of development charges as required by Bill 23 is projected to reduce development charge revenue by \$4.7 million over the 10-year plan. The introduction of definitions for affordable and attainable housing introduced by Bill 134 is projecting development charge revenue to be further reduced up to \$19.7 million.

# Fund Descriptions

Financial information is prepared in accordance with a fund structure which consists of an operating fund, capital fund and reserve funds. Each fund has a distinct purpose.

## Operating Fund

Used to record all revenues and expenditures relating to the day-to-day operations of the County.

## Capital Fund

Records all capital related transactions, and is utilized in acquiring, constructing or improving infrastructure and capital facilities.

## Reserve Fund

Reserves and reserve funds may be established for any purpose deemed necessary by resolution of County Council. Typical uses of reserves are for equipment replacement, contingencies and stabilization purposes, and capital financing.

Monies flow between funds through transfers and are recorded as expenses or revenues in the affected funds.

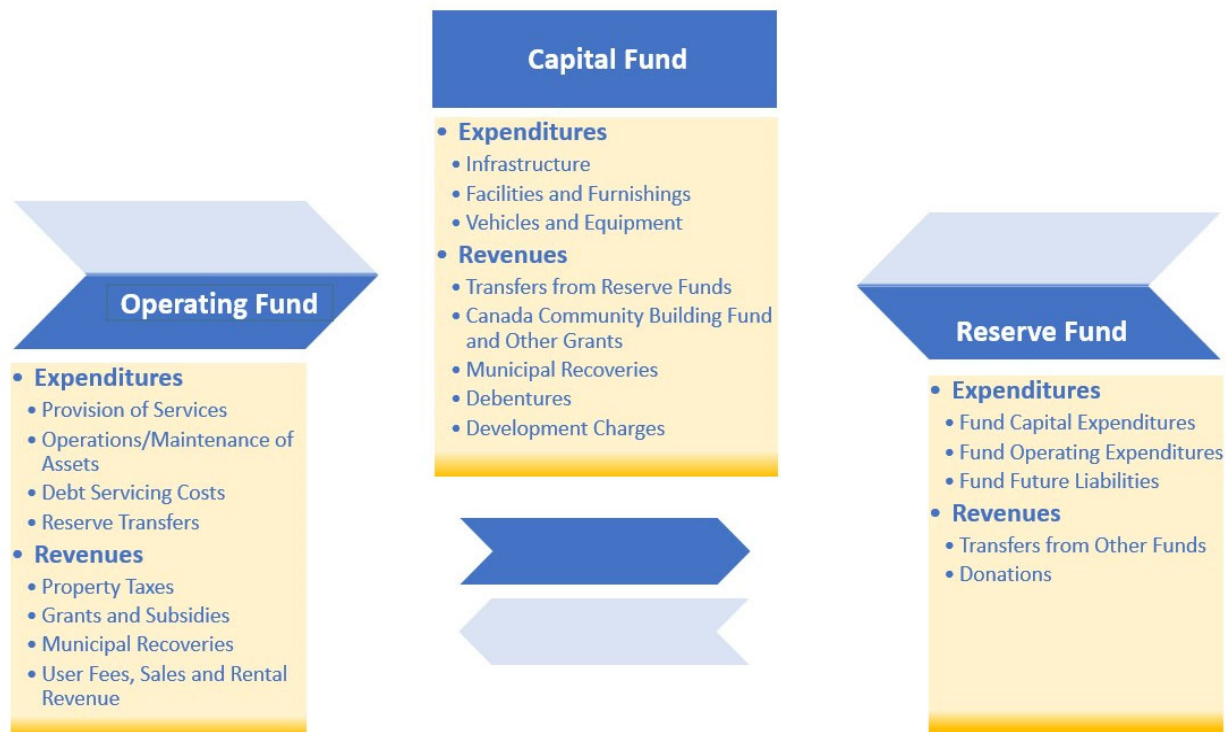

The Reserve and Reserve Fund Balances are budgeted to decrease \$2.3 million in 2024.

Reserve transfers to fund major capital items in 2024 include:

- \$17.8 million for road works; \$3.9 million for Erin Library construction, \$3.5 million for the Arthur Garage, and \$4.0 million for Roads and Solid Waste Equipment

Operating departments with increased transfer to reserve to manage assets and fund future capital include:

- Roads, Solid Waste Services, Museum, CAO and Clerks (IT) and Property

# Reserves And Reserve Funds

Reserves and Reserve Funds are established by County Council to improve long-term financial stability and to assist with financial planning. Under the provisions set out in the Municipal Act and the Council approved County Reserves and Reserve Fund Policy, these funds are typically used to fund capital projects, operations, smooth tax levy impacts, and help manage the County's financial position.

## Reserves

Reserves are revenues set aside at the discretion of Council to provide for future expenditures, such as infrastructure replacement. Reserves may be established for any municipal purpose such as working funds, contingencies and asset replacements. The use of reserves assists the County in maintaining its financial position.

## Reserve Funds

Reserve Funds are segregated and restricted to meet a specific identified purpose, and must receive interest income per the Municipal Act.

Reserve Funds are established through a by-law of council or by a requirement of provincial legislation. Reserve funds authorized by County Council are referred to as permissive or discretionary reserve funds, and are established for specific purposes.

The chart below shows the reserve and reserve fund projected balance for the 2023-2033 period.

# Long-Term Liabilities And Debt

## Long Term Borrowing

The County's long term borrowing plan remains sustainable and affordable, with \$81.8 million in new debt to be issued over the next ten years. The majority of the capital plan continues to be funded from reserves (60.7%).

## Tax Supported Debt

As of December 31, 2023 County tax supported debt totals \$13.1 million. The 2024 – 2033 forecast anticipates the issuance of \$20.5 million for an Erin ambulance station, Elmira Road ambulance station upgrade, and Erin and Bruce Dale garage facilities.

## Development Charge Supported Debt

As of December 31, 2023 County development charge supported debt totals \$14.2 million. The 2024 – 2033 forecast anticipates the issuance of \$61.3 million of development charge supported debt related to growth related portion of four roads facilities, roads construction projects, the Erin Library, four ambulance stations, and the upgrade of the Elora Waste Facility.

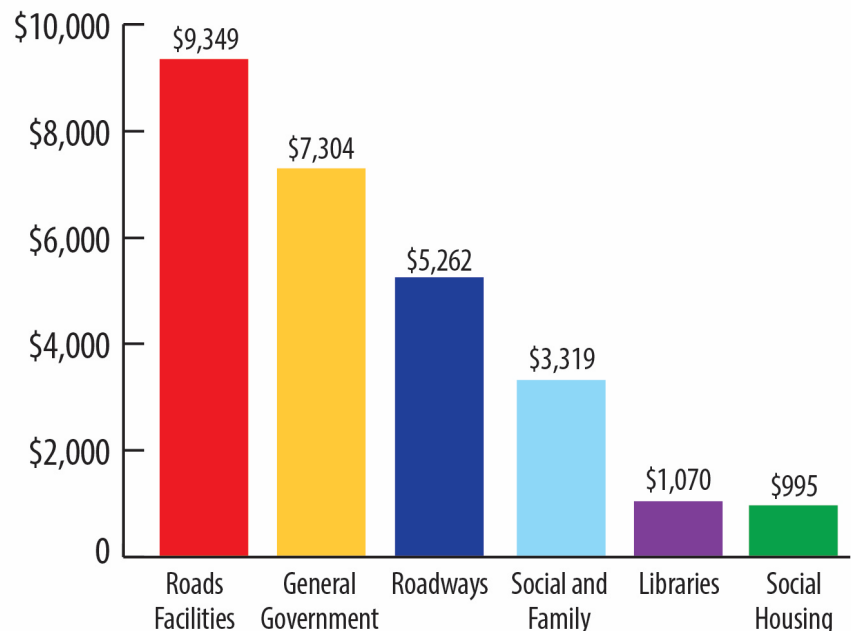

## Current Debt Obligations

The County's current debt obligation in 2023 sits at just over \$27 million. The largest debt obligations reside within Roadways and Roads Facilities, General Government, as well as Social and Family Services which account for \$25.2 million of the total in 2023. The County has been able to maintain a reasonable debt obligation and maintain its AAA credit rating with Standard and Poor's.

## Annual Debt Repayment Limit

The Province, through the Ministry of Municipal Affairs and Housing, establishes debenture limits for all municipalities on an annual basis. The calculation, which uses data obtained from the 2022 Financial Information Return (FIR), provides an upper limit or ceiling on debt repayment costs. The purpose of regulating debenture limits is to ensure that municipalities do not issue excessive amounts of debt, thereby weakening their longer-term financial strength. Debt issued on behalf of a member municipality is reflected in each member municipality's debt limit.

The ceiling is established not as an absolute amount of debt, but rather as the relationship of debt servicing costs relative to own source revenues (taxation, user fees and charges, etc.). The annual debt repayment limit is calculated as 25% of 2022 Own Source Revenues (\$35.7 million) less all 2022 debt principal (\$4.5 million) and debt interest (\$1.2 million). Wellington's Estimated Annual Debt Repayment Limit (ADRL) for 2024 is \$30.0 million.

# Corporate Performance Measures

Each year in advance of final budget preparation, County staff perform a number of calculations to ensure the County maintains its long-term financial health and preserves long-term sustainability. The County utilizes a number of financial ratios to measure its performance over the forecast period to ensure that proposed debt issuances and transfers to and from reserves are made in accordance with its financial policies and maintain or improve its financial health. These measures are described in the following pages.

## Debt Limits

### Statutory Limitations – Annual Repayment Limit (ARL)

Ontario Regulation 403/02 of the Municipal Act, 2001 sets out the annual debt and financial obligation limits for municipalities. The regulation provides a formula which limits annual debt service costs to an amount equal to 25% of operating revenue. The County is not allowed under this regulation to issue debt which would result in the annual repayment limit being exceeded without provincial approval.

### Self-Imposed Limitations (in Accordance with County's Debt Management Policy)

Notwithstanding the limits prescribed in the regulations, prudent financial management calls for more stringent criteria to limit debt. These criteria will assist in preserving borrowing capacity for future capital assets while maintaining maximum flexibility for current operating funds.

## Direct Debt to Reserve Ratio

This ratio compares direct debt to the total of all reserves and reserve funds. A generally accepted target ratio for municipalities is considered to be no more than 1:1. The County's policy is to maintain its ratio below 0.75:1.

### DEBT OUTSTANDING TO RESERVE RATIO

# Corporate Performance Measures

## Total Debt Outstanding compared to MMAH Debt Limit

The Province through the Ministry of Municipal Affairs and Housing (MMAH), establishes debt limits for all municipalities on an annual basis and provides an upper limit on debt servicing costs. These debt servicing costs are included in the 10 year forecast. The chart below show the forecast debt outstanding against the maximum prescribed by the Province (assuming a 20 year term and 6% interest rate).

## Debt Charges as a % of Own Source Revenues (OSR) or Debt Service Ratio

Debt service is the amount of principal and interest that a municipality must pay each year to service their debt. The greater the debt servicing required each year, the less flexibility there is for other expenses. As per the BMA Municipal Study 2022, credit rating agencies consider that principal and interest should be below 10% of own source revenue.

# Corporate Performance Measures

## Reserves and Reserve Funds as a Percentage of the Tax Levy

The County's strategic use of reserves is one of the many factors behind the improvement in its credit rating since the initial development of the Reserves and Reserve Fund Policy. This and other financial policies will help to strengthen Wellington County's long-term financial position and provide stability to the corporation. Solid reserve and reserve fund balances allow the County to have the flexibility to respond to economic cycles and unanticipated requirements. Reserves provide the ability to fund the operating and capital needs of the various departments and to respond to both opportunities and risks as they arise.

## County of Wellington

### 2024 Operating Budget Impacts From Capital

Some capital projects impact the County's operating budget through increased staffing, maintenance costs or debt servicing costs to fund the project. Other projects actually reduce operating costs through efficiencies in systems or increased revenue opportunities.

The table below summarizes the projected operating impact of capital projects scheduled to become operational in 2024, and projects that became operational during 2023 for a partial year.

Capital Project	Revenue Impacts	Expenditure Impacts	Net Cost / (Revenue)
59, 69 and 75 Woolwich St. Purchase—Maintenance staff and building related expenses		\$138,000	\$138,000
HRIS Information Management System—yearly software costs		\$79,000	\$79,000
Expense Management Maintenance—yearly software costs		\$6,000	\$6,000
Energy Management Software—yearly software costs		\$28,800	\$28,800
<b>Total</b>		<b>\$251,800</b>	<b>\$251,800</b>

The County of Wellington has ongoing approved projects that, depending on the outcome, may impact future operating budgets.

- The ambulance station feasibility study approved in 2018 identified the optimal location for construction of six new facilities throughout the County. An update to this plan is required, however future impacts include increased leasing revenue from the City of Guelph and increased operational expenses.
- The creation of a Continuum of Care development at Wellington Place which may include retirement home beds, life lease housing and other services to support seniors of Wellington County continues to be contemplated. Work continues to find sources of funding to move this project forward. Development would have future operating impacts.
- In 2023 the County of Wellington undertook a new Strategic Action Plan. The goal of the plan is to focus attention and provide direction on those items and actions that are most important to County Council and the Senior Management Team. Future budgets may result in future operating impacts as the County aligns the 10 year budget forecast with the priorities identified in the Strategic Action Plan.
- The Roads Master Action Plan that was completed in early 2022 will provide the County direction for future planning of its transportation network and includes a number of actions to address current road needs and future growth. Potential impacts to both the operating and capital budgets are anticipated.
- In 2022 the County completed the Climate Change Mitigation Plan which lays out a pathway to a more sustainable future by empowering our community to act on climate change now. The plan focuses on four main sources of greenhouse gas emissions; Buildings, Transportation and Streetlights, Agriculture and Solid Waste. As the recommendations from the plan begin to implemented operating impacts to these service areas are likely to emerge.

### Programme Goals and Objectives

The Wellington County Assessment Base Management Policy and Procedure recognizes that property taxes are the single most important revenue source for the County of Wellington and it is essential that a high quality assessment base be maintained and will strive to meet the following goals and objectives:

- Promote greater equity, fairness and transparency of the assessment base  
**(Making the best decisions for the betterment of the community)**
- Determine assessment and taxation activities that are designed to maximize the amount of revenue available for collection by the County and its member municipalities  
**(Making the best decisions for the betterment of the community)**
- To protect the assessment base from unnecessary losses  
**(Making the best decisions for the betterment of the community)**
- Provide a means of effectively combating the need to increase the tax rate and cut primary services when additional revenue is required  
**(Doing what the County does best - providing critical daily services for our residents)**

The Wellington County Cash and Investment Management Policy identifies the following goals and objectives:

- Adherence to statutory requirements under Ontario Regulation 438/97 or subsequent provincial regulations and County policy.  
**(Doing what the County does best - providing critical daily services for our residents)**
- Preservation of capital in the overall portfolio through investment in minimum bond ratings of A or higher. **(Making the best decisions for the betterment of the community)**
- Maintenance of liquidity to meet cash flow requirements and minimize temporary borrowing.  
**(Making the best decisions for the betterment of the community)**
- Diversification of the investment portfolio by maturity, issuer and class of security.  
**(Making the best decisions for the betterment of the community)**
- Maximize the rate of return earned on the investment portfolio.  
**(Making the best decisions for the betterment of the community)**

## Programme Overview

<b>Programme/Service:</b>	<b>County Council</b>
<b>Department:</b>	<b>Administered by the Chief Administrative Officer</b>
<b>Governance:</b>	<b>Administration, Finance and Human Resources Committee</b>

## Programme Description

- As the governing body of the County, it is the role of council to:
  - represent the public and to consider the well-being and interests of the municipality;
  - develop and evaluate the policies and programmes of the municipality;
  - determine which services the municipality provides;
  - ensure that administrative practices and procedures are in place to implement the decisions of council;
  - ensure accountability and transparency of the operations of the municipality;
  - maintain the financial integrity of the municipality; and
  - carry out the duties of council under all relevant legislation
- County council is comprised of the mayors of the seven member municipalities and nine directly elected ward councillors
- The Warden is the head of council and is chosen by council every two years. It is the role of the head of council to:
  - act as chief executive officer of the municipality;
  - preside over council meetings;
  - provide leadership to the council;
  - represent the municipality at official functions; and
  - carry out the duties of the head of council under any provincial act.
- The following committees and boards report to County Council, which meets monthly: Administration, Finance and Human Resources; Social Services; Roads; Solid Waste Services; Planning and Land Division; Information, Heritage and Seniors; Wellington County Library Board; Wellington County Police Services Board; Economic Development; Warden's Advisory Committee
- In 2023 County Council approved its updated Strategic Action Plan called "Proudly Moving Forward Together." The remainder of the term will be focused on implementing the objectives identified in the Strategic Action Plan.

## 2024 Budget Highlights

- The 2024 budget provides for the salaries and benefits for Council members and various Council and Committee expenses.
- A provision has been added to the capital budget to host the International Plowing Match in 2032.

<b>Department:</b>	<b>Office of the CAO and Clerk</b>
<b>Governance:</b>	<b>Administration, Finance and Human Resources Committee</b>

## Programme Description

The Office of the CAO and Clerk is responsible for general management and the information technology resources of the Corporation. Our role includes:

- Implementing strategic directions as approved by County Council
- General management of the operation of the corporation
- Fulfillment of statutory responsibilities as set out in the Municipal Act and other legislation, including records retention, Council/Committee agendas and minutes, by-laws, etc.
- Responsible for corporate communications function
- Hardware and software provision and maintenance
- Network administration and technical support for all County operations and work locations
- Web site development and maintenance

## 2024 Budget Highlights

- New staffing includes a Communications Officer, partially offset by the removal of a student position. The position will aid in maintaining a presence on social media platforms, meet increasing requests from various departments and take on new projects and initiatives at the County.
- The budget includes increases to software maintenance and licenses (\$172,000)
- Accessibility grants are available for the seven member municipalities in order to facilitate improved access in municipal buildings throughout the County
- The 2024-33 capital forecast includes lifecycle replacement activities and new initiatives for technical services, application services and information management. In the 2024 application services budget the implementation of the Human Resources Information System continues which will provide efficiencies in current corporate practices. Information Management plans for lifecycle upgrades to the Intranet and City website.

## Performance Measures

**Programme/Service:** Communications Division

**Department:** Office of the CAO

**Governance:** Administration, Finance and Human Resources Committee

### Programme Goals and Objectives

The Communications Division is responsible for overseeing all County of Wellington brand and style standards, media relations, graphic design, communications strategies, and public engagement:

- Develop strategic and accessible marketing campaigns for all departments that educate residents and promote County programmes, services, events, and initiatives. **(Making the best decisions for the betterment of the community)**
- Continuously adopt new communication methods and techniques to meet the changing demands of our residents. The COVID-19 pandemic increased the demand for virtual and online communication. **(Doing what the County does best - providing critical daily services for your residents)**
- Engage with external audiences using a combination of modern and traditional communication methods to ensure information is disseminated effectively across all demographics in the County. **(Making the best decisions for the betterment of the community)**
- Collaborate with community partners and local agencies to provide comprehensive and inclusive programmes and services. For example, the Communications division has worked closely with Canadian Mental Health Association of Waterloo-Wellington since 2018 to develop strategies for the annual Here4Hope campaign and “Wellness at the County” Employee Wellness Programme. **(Doing what the County does best - providing critical daily services for your residents)**
- Assess and evaluate the results of County communication efforts. Provide communication metrics for all departments to assist with future decision making, grant applications, budgeting, and reporting requirements. **(Making the best decisions for the betterment of the community)**

## Programme Overview

<b>Programme/Service:</b>	<b>Human Resources</b>
<b>Department:</b>	<b>Human Resources</b>
<b>Governance:</b>	<b>Administration, Finance and Human Resources Committee</b>

## Programme Description

- Coordinate the recruitment and selection of all County employees
- Lead corporate learning and development initiatives
- Develop and administer human resources policies and procedures
- Implement and maintain the Human Resources Information System (HRIS)
- Administer payroll, benefits, and pension plan, conduct compensation reviews and job evaluation
- Manage Occupational Health and Safety programme
- Lead the County's Wellness Strategy – Diversity and Inclusion, Staff Recognition, Health Promotion
- Manage labour relations, including collective agreement negotiations
- Provide support in performance management, employee relations, discipline and terminations
- Develop strategic HR management initiatives (policy development and workforce planning)

## 2024 Budget Highlights

- Addition of a new HR Recruitment Specialist to increase participation in the community and allow the HR Generalists to put more focus towards policy research and development, investigations support, labour relations issues and the development and delivery of training initiatives.
- Maintenance and support for the new HRIS system in the amount of \$79,000. This is for professional support services for the recruitment, onboarding, learning management, and employee self-serve modules in the new system.
- Occupational accident and excess indemnity premiums are included in the health and safety budget, and are funded from the WSIB reserve (as are other health and safety costs).

## Programme Overview

<b>Programme/Service:</b>	<b>Property Services</b>
<b>Department:</b>	<b>Office of the CAO and Clerk</b>
<b>Governance:</b>	<b>Administration, Finance and Human Resources Committee</b>

## Programme Description

Maintenance, improvements and operations of County owned facilities including:

- Administration Centre, Courthouse, Gaol, Governor's Residence, 15, 21 and 25-27 Douglas Street
- Dominion Public Building (Social Housing and Employment Services)
- 129 and 133 Wyndham Street, Guelph (Ontario Works, Emergency Operations Centre, Children's Early Years, 12 apartments)
- 59, 69, and 75 Woolwich Street (former Wellington Catholic District School Board buildings)
- Clifford and Arthur Medical Centres
- Badenoch and Mount Forest Community Services Centres
- Health Unit offices at Wellington Terrace
- Douglas Street Parking Lot, 401 Gateway Signs, Solar Panels and Electric Car Charging stations at various County locations

## 2024 Budget Highlights

- Staffing changes include:
  - New maintenance worker to address increased workload for the division. Property services has taken over responsibility for additional facilities including the Roads garages as well as the recently acquired buildings at 59, 69 and 75 Woolwich. The positions will allow the maintenance team to dedicate more time on preventive measures at County locations and reduce future repair needs.
  - New admin assistant to assist with vendor payments, scheduling, and inventory management
- Capital projects relate to major repairs or renovations to County-owned facilities. Projects total \$6.1 million and are funded from the Property Reserve
- Vehicle lifecycle replacements are included in the capital budget, with electric vehicles planned for future years

### Programme Goals and Objectives

The property maintenance area strives to minimize costs while simultaneously supporting an effective corporate maintenance system that meets compliance and safety standards, improves facility performance, lowers maintenance costs and expands the lifespan of facilities and equipment. The construction management area strives to successfully plan, coordinate, and supervise County construction projects from early development to completion, safely, on schedule and within budget.

- Building condition assessments (BCAs) are conducted regularly along with monthly inspections which are referenced to ensure all County facilities are maintained in excellent condition for the health and safety of our residents and that they are physically and functionally sound.  
**(Doing what the County does best—providing critical daily services for your residents)**
- All new County construction projects utilize both the Green Legacy Building Standards (GLBS) as well as the Facility Accessibility Design Manual (FADM). The GLBS meets the Emerald Level of Certification which is the County's highest building standard. The FADM currently provides a higher level of accessibility than current code requirements. These manuals will continue to be updated as required to coincide with any Ontario Building Code (O.B.C.) updates.  
**(Making the best decisions for the betterment of the community)**
- Monthly Health and Safety inspections are conducted and all findings are prioritized and addressed accordingly. Regular compliance inspections and testing are conducted on systems (including but not limited to) HVAC systems and filters, fire extinguishers, sprinkler systems, and fire alarm panels.  
**(Making the best decisions for the betterment of the community)**
- Vendor performance reviews and quality assurance inspections are conducted to ensure best in service vendors are utilized and any necessary repairs identified are completed.  
**(Doing what the County does best - providing critical daily services for your residents)**

### Performance Measures

In order to progress toward accomplishing the County's Strategic Action Plan and the Programme's goals and objectives, the following performance measures are considered:

	Projected 2024	Actual 2023	Actual 2022	Actual 2021
Number of Customer request forms handled	N/A	1,068	1,100	835
Average condition of County facilities per BCAs*	Good	Good	Good	Good
% New construction projects managed by Property Services completed on or under budget	100%	100%	100%	100%

\*Ratings (per Stonewell Group BCAs)

Good - reasonable condition, not expected to require capital expenditures in the new future

Fair - deteriorating conditions, likely to become "poor" within a few years if not addressed

Poor - observable deterioration requiring immediate capital care

## Programme Overview

<b>Programme/Service:</b>	<b>Economic Development</b>
<b>Department:</b>	<b>Wellington County Museum and Archives</b>
<b>Governance:</b>	<b>Economic Development Committee</b>

## Programme Description

The Economic Development Division continues to work in collaboration with the local municipalities and strategic investments are guided by the Economic Development Three-Year Plan. Market Intelligence and the status of existing business continues to be a focus, while business support, attainable housing, investment attraction and enticing talent to move to Wellington County are areas of commitment going forward. We provide:

- Up-to-date information on the local economy, trends, opportunities and the annual credit rating review
- Workforce development and talent attraction through facilitation between private industry, support organizations, education and training
- Investment attraction and promotion of Wellington County through Experience Wellington, Taste Real Local Food Programme and Ontario Food Cluster participation
- Support of the County broadband roll-out, including the speed test campaign, digital equity coalition and enquiries.
- Funding for a County-wide Business Retention and Expansion programme, the Invest Well Community Improvement Programme (CIP) and contributions to local business support organizations
- Solutions to encourage attainable housing stock development in Wellington County
- Smart Cities: coordinating 10 County Experimental Acres host sites, hosting a Women in Agriculture event, coordinating two industry workshops, supporting food security activities, designing a WCMA soil exhibit and hosting the Guelph-Wellington Circular Hotspot Conference.
- The Ride Well Transportation Pilot which provides an on-demand rural transportation option from October 2019—March 2025

## 2024 Budget Highlights

- County-wide Business Retention and Expansion (\$175,000) and Community Improvement Plan Implementation Funds (\$160,000) are available annually throughout the forecast.
- Smart Cities initiative “Our Food Future” - Economic Development’s three-year plan proposes to continue elements of the Smart Cities Office including making two staff positions permanent full-time positions
- Ride Well Community Transportation initiative has been adjusted to provide additional service availability and incorporate an increase to the hourly rate for drivers
- The 2024 budget includes a \$50,000 contribution towards the Ontario Health Team (of Wellington and Guelph) for doctor recruitment
- The Rural Broadband Capital Project (\$1.6 million) has been closed and an allocation of \$600,000 has been made to reduce the tax levy in 2024 and the remaining \$1 million has been transferred to the Contingency and Stabilization Reserve to be used to offset future Ride Well budgetary impacts

## Performance Measures

Programme/Service:	Economic Development
Department:	Wellington County Museum and Archives
Governance:	Economic Development Committee

### Programme Goals and Objectives

The Economic Development Division leads and participates in activities that grow, develop, and promote Wellington County as an exceptional place to live, work and invest. Staff provide business support services, oversee county-wide programmes, engage in economic planning, and organize events to further these objectives.

In alignment with the Corporate Strategic plan and the Economic Development Action plan, staff will focus on the following goals and objectives:

- Develop and execute programmes to increase the success, competitiveness, and sustainability of Wellington County businesses. **(Making the best decisions for the betterment of the community)**
- Create a more welcoming community for newcomers, provide opportunities for cultural exchange and education, and support initiatives for workforce attraction and retention. **(Doing what the County does best - providing critical daily services for your residents)**
- Facilitate conversations, raise awareness, and map out roles for different stakeholders in addressing the shortage of attainable housing in the community. **(Making the best decisions for the betterment of the community)**
- Cultivate partnerships and encourage collaborations that advance the development of a desirable community to live, work, play, and invest in. **(Doing what the County does best - providing critical daily services for your residents)**

## Programme Overview

<b>Programme/Service:</b>	<b>Roads and Bridges</b>
<b>Department:</b>	<b>Engineering Services</b>
<b>Governance:</b>	<b>Roads Committee</b>

## Programme Description

Safety, asset preservation, and the provision of an efficient transportation network for the movement of people and products, drive most of the activities associated with the Roads Division. Engineering Services is financially responsible for 1,434 lane km of roadways, 101 bridges, 97 culverts, and operates 44 sets of traffic signals (at intersections and pedestrian crossings), 10 roundabouts, and approximately 19,000 linear metres of guide rails. Operations are run out of 8 garage facilities, which include 8 storage structures, and 10 sand and salt domes. Roads fleet is made up of 76 licensed vehicles and 55 unlicensed vehicles and equipment.

## 2024 Budget Highlights

Capital works of \$37.3 million planned for 2024 include:

- \$12.8 million for road reconstruction; \$6.9 million for bridge and culvert replacement and rehabilitation work; \$3.1 million for asphalt resurfacing; \$2.4 million for asset management and engineering activities; \$8.1 million in facilities and \$4.1 million for equipment replacement.
- The roads ten-year capital forecast includes the issuance of \$58.5 million in debt. Growth-related debt of \$47.5 million for four garages and roads projects. The tax-supported debt issue of \$11.0 million is to support the construction of the Erin and Brucedale Garages.

Operating impacts in 2024:

- Conversion of 10 current seasonal snowplow driver positions to full-time Equipment Operator positions in order to address ongoing difficulty in hiring for the seasonal positions as well as provide improved quality of service and reduce risk.
- A new Engineering Technologist to address ongoing road safety, speeding and public enquiries.
- Inflationary impacts of:
  - \$100,000 for increased costs for parts and equipment
  - \$97,000 for increased insurance costs for the County fleet and garages
  - \$80,000 to the line painting contract, bringing the overall amount to \$900,000
- Winter Control budget of \$6.8 million
- Reserve funding increases of \$450,000 in Roads Equipment and \$1.25 million in Roads Capital to account for capital cost increases and loss in Ontario Community Infrastructure Funding

### Programme Goals and Objectives

The County of Wellington completed a Road Master Action Plan (RMAP). This Plan helps the County map out improvements to the County's transportation network, and helps guide the Roads and Bridges Programme towards a set of goals and objectives. The RMAP reviewed current and future transportation network requirements to accommodate future population and employment growth projected in the County to 2041.

- Identified improvements required to the County road network to accommodate future population and employment growth. **(Making the best decisions for the betterment of the community)**
- Examined traffic, safety, and speed management issues on the County road network and prioritize a list of improvements. **(Making the best decisions for the betterment of the community)**
- Identified how County road improvements are funded through development and the existing tax base. **(Making the best decisions for the betterment of the community)**
- Provided guidance on the role of County roads through urban downtown areas, and help us create friendly and, livable communities. **(Making the best decisions for the betterment of the community)**
- An effective County road network provides economic and social benefits, and it helps communities thrive. **(Making the best decisions for the betterment of the community)**
- Having a good plan in place for transportation means safer travel for all residents. **(Doing what the County does best—providing critical daily services for your residents)**

### Performance Measures

In order to progress toward accomplishing the County's Strategic Action Plan and the Programme's goals and objectives, the following performance measures are considered:

	Projected 2024	Actual 2023	Actual 2022	Actual 2021
Average condition of the County road network (PCI)	68	69	70	71
Average condition of County bridges (BCI)	71	72	73	75

## Programme Overview

<b>Programme/Service:</b>	<b>Solid Waste Services</b>
<b>Department:</b>	<b>Engineering Services</b>
<b>Governance:</b>	<b>Solid Waste Services Committee</b>

## Programme Description

- The County provides programmes for the collection and disposal of municipal solid waste and recyclables, and operates one active landfill site and five transfer stations
- The County is also responsible for 16 closed landfill sites
- A curbside user pay collection service is offered in urban and rural areas County-wide
- The landfill sites and transfer stations provide waste and recyclable disposal opportunities to manage items and quantities not appropriate for curbside collection. The waste facilities provide means to divert materials from landfill including household hazardous wastes, electronics, tires, brush, scrap metal and reuse centres.

## 2024 Budget Highlights

### Capital Budget:

- A total of \$12.9 million in expenditures is projected over the ten-year period
- Planned facility upgrades at the Elora and Rothsay Transfer Stations continue in 2024
- Riverstown landfill is the County's one remaining active landfill site with expected capacity beyond 2050. Staff are planning for the closure of Phase I and the future development of Phase II throughout the ten-year forecast and have included projects totaling \$4.4 million.

### Operating Budget:

- Significant increases to the waste, blue box, organics and leaf and yard waste collections contracts due to the rise in inflation, amounting to a 9.1% cost increase or \$617,200.
- Changes to the blue box processing contract are reflected in the budget and result in removal of the recyclable sales revenues, offset by a lower processing cost. The net impact of this change is an increase to the budget of \$247,400
- Recommended changes to the user pay bag fee by \$0.50 as of July 1, 2024 will increase projected overall net revenues by \$220,000 when factoring in lower disposal volumes expected in 2024

## Performance Measures

Programme/Service:	Solid Waste Services
Department:	Engineering Services
Governance:	Solid Waste Services Committee

### Programme Goals and Objectives

The following Goals and Priorities and guiding principles have been articulated in the Solid Waste Services Strategy:

#### Excellent Customer Service

- Provide excellent customer service that is convenient, safe, and meets residents' needs

#### Sound Financial Management

- Deliver programmes and services that are evaluated on an ongoing basis to ensure they are efficient and cost-effective

#### Environmental Stewardship

- Protect the air, water and land through environmentally sound practices and operations

The goals and priorities of the Solid Waste Services Strategy are informed by a set of guiding principles, which are aligned with those of the County's Strategic Action Plan:

- Adopting triple bottom line (people, planet, prosperity) approach **(Making the best decisions for the betterment of the community)**
- Treating landfill as an asset, a resource to be protected **(Making the best decisions for the betterment of the community)**
- Maximizing diversion from landfill **(Doing what the County does best - providing critical daily services for your residents)**
- Focusing on long-term planning horizons **(Making the best decisions for the betterment of the community)**
- Minimizing greenhouse gas (GHG) emissions associated with operations **(Doing what the County does best - providing critical daily services for your residents)**
- Enhancing promotion and education offerings **(Doing what the County does best - providing critical daily services for your residents)**
- Supporting circular economy principles within programmes, practices and operations **(Making the best decisions for the betterment of the community)**

### Performance Measures

In order to progress toward accomplishing the County's Strategic Action Plan and the Programme's goals and objectives, the following performance measures are considered:

	Projected 2024	Actual 2023	Actual 2022	Actual 2021
Residential Waste Diversion Rate	52.00%	51.50%	51.20%	50.20%
Total Diverted Tonnes Captured (Residential, Industrial, Commercial, and Institutional)	13,600	13,500	13,553	13,930
Estimated remaining years of Landfill Capacity	26	27	28	29

## Programme Overview

<b>Programme/Service:</b>	<b>Ontario Works</b>
<b>Department:</b>	<b>Social Services</b>
<b>Governance:</b>	<b>Social Services Committee</b>

## Programme Description

- Ontario Works provides temporary financial assistance to residents in need while they are assisted in becoming employed and achieving self-reliance. Income assistance includes allowances for basic needs, shelter, as well as other benefits prescribed in the regulations to those applicants who meet mandatory eligibility requirements. Goal setting conversations and the completion of common assessment tools are used to develop action plans with recipients. Support and community referrals are provided to assist recipients in accessing counseling, life skills workshops, educational programmes, and Employment Ontario services.
- The Cost Recovery Division is primarily responsible for programme accountability. These services include file audits, eligibility review investigations, pursuit of benefit reimbursements, overpayment recovery and administration of client appeal processes.
- Emergency Assistance and discretionary health benefits provide eligible, low income individuals with assistance to meet urgent financial and medical needs.
- Social Services Help Centre: Assists residents in accessing Social Services information and programmes and provides referrals to support services in the community. Free access is provided to computers, online resources, photocopying, public telephones.
- Immigrant Settlement Services: Assists newcomers in our community in gaining access to the economic, social, health, cultural, educational, and recreational services that they require.
- Grant funding provides local agencies and collaborative groups resources to address important social issues such as domestic violence, substance misuse, elder abuse and poverty reduction.
- As Consolidated Municipal Service Manager, the County delivers these services in a specific geographic area which includes both the County of Wellington and the City of Guelph. The net municipal cost is apportioned to the County and City based on the residence of the recipient.

## 2024 Budget Highlights

- The grants and subsidies line is decreasing by approximately \$504,000 in 2024. This budget adjustment reflects a reduction of \$1.1 million in provincial funding connected to the Employment Services Transformation, offset by a projected 3% increase in OW benefits costs.
- The Salaries, Wages and Benefits line reflects a decrease of \$760,000 as a result of restructuring related to the loss of \$1.1 million in provincial funding (reduction of 8.5 FTE).
- The ten-year capital plan includes facility improvements at the administration office located at 129 Wyndham Street in Guelph, and St. Andrews Street in Fergus. The ten-year total capital budget is \$1.46 million. The County's portion of \$464,000 is funded from the Property Reserve.

Department:	Social Services
Governance:	Social Services Committee

### Programme Goals and Objectives

The Ontario Works Division strives to effectively serve people needing assistance by delivering high quality programmes and services in collaboration with our community partners and in accordance with provincial legislation and directives governing the Ontario Works programme. The Ontario Works annual Service Plan outlines how the following goals and objectives of the Ontario Works programme are to be achieved:

- Recognize individual client responsibility and promote self-reliance through participation in life stabilization and referrals to employment activities. **(Doing what the County does best – providing critical daily services for your residents)**
- Provide financial assistance to those most in need while they meet participation obligations of the Ontario Works programme. **(Doing what the County does best – providing critical daily services for your residents)**
- Effectively serve low-income people that need assistance. **(Doing what the County does best - providing critical daily services for your residents)**
- Ensure accountability in service delivery to provincial and local taxpayers. **(Doing what the County does best - providing critical daily services for your residents)**

The Ontario Works Division also delivers settlement services to newcomer immigrants to Wellington County. Through an agreement with the Department of Immigration, Refugees and Citizenship Canada, the County has the following goals and objectives pertaining to this work:

- To meet the settlement and integration needs of newcomers, including those in smaller and more rural communities. **(Making the best decisions for the betterment of the community)**
- To facilitate the connection of newcomers to the communities they live in. **(Doing what the County does best - providing critical daily services for your residents)**
- To enhance the capacity of local employers to hire and retain newcomers. **(Cherishing the County's most valued asset - its Staff)**

### Performance Measures

In order to progress toward accomplishing the County's Strategic Action Plan and the Programme's goals and objectives, the following performance measures are considered:

## Programme Overview

<b>Programme/Service:</b>	<b>Children's Early Years Division</b>
<b>Department:</b>	<b>Social Services</b>
<b>Governance:</b>	<b>Social Services Committee</b>

## Programme Description

- **Children's Early Years Management:** Planning and management of the child care and early years family supports system for the service delivery area. Provision of Canada-Wide Early Learning and Child Care System (CWELCC) general operating grants, fee subsidies, special needs resourcing, capacity building, EarlyON Programmes, wage enhancement/home child care enhancement grants, and community grants.
- **Child Care Subsidies:** Provides financial assistance to eligible families to pay for child care fees in licensed child care, authorized recreation and skill building programmes, and school board operated programmes who have a Purchase of Service Agreement with the County of Wellington.
- **General Operating Grants:** Provides financial assistance for the operation of licensed child care programmes including staff wages and benefits, occupancy costs and professional development for operators with a Purchase of Service Agreement with the County of Wellington.
- **Special Needs Resources:** Provides enhanced support services which supports the inclusion of children with special needs in licensed child care settings, including home child care, camps and children's recreation programmes, at no additional cost to parents or guardians. Supports may include resource consultation, supplemental staffing, connections to specialized supports, professional development opportunities to support staff.
- **Capacity Building:** Provides an Early Years Professional Resource Centre that plans and facilitates ongoing professional learning, side-by-side mentoring, and a variety of resources to increase quality levels.
- The County of Wellington operates four licensed child care centres (one in Guelph and three in Wellington County) which offer 194 spaces in total. The County also operates a licensed home child care agency that provides access throughout Guelph and Wellington County. Home-based child care offers families increased availability, accessibility and choice of licensed child care options for their families.

## 2024 Budget Highlights

- The funding allocation for 2024 reflects a significant increase in federal funding related to the Canada Wide Early Learning and Child Care Funding Agreement (CWELCC) requiring no municipal cost share. A \$1.042 million one-time transitional grant was removed from the budget, directly impacting the tax levy.
- Capital includes a project for an EarlyON grant for Centre Wellington (\$160,000), and funding for generators at three directly operated child care centres (\$485,000).

<b>Staff Complement (Full time equivalents)</b>	<b>2023</b>	<b>2024</b>

### Programme Goals and Objectives

The County of Wellington Children's Early Years Division (CEYD) is the designated Consolidated Municipal Service Manager responsible for planning and managing the child care and early years (EarlyON) services for the Wellington service delivery area. As the service system manager, CEYD is required under the *Child Care and Early Years Act, 2014*, to establish a local child care and early years service plan that addresses the matters of provincial interest in addition to local child care and early years service system interests. The following are goals and objectives of the CEYD:

- Implement a consistent and continuous quality assessment and improvement strategy across the child care and early years system. **(Making the best decisions for the betterment of the community)**
- Develop and support implementation of a workforce strategy that improves recruitment and retention of qualified child care and early years professionals.  
**(Cherishing the County's most valued asset - its Staff)**
- Increase access to and participation in professional development and recruitment strategies that enhance the workforce's knowledge and competencies on topics of current focus, relevance and interest within the sector including diversity, inclusive practices and cultural competence.  
**(Cherishing the County's most valued asset - its Staff)**
- Stabilize current child care and EarlyON service levels during the pandemic.  
**(Doing what the County does best - providing critical daily services for your residents)**
- Continue to increase the capacity for regulated child care and EarlyON services, focusing on fair distribution. **(Making the best decisions for the betterment of the community)**
- Improve child care and early years service system information, awareness, communication and service navigation resources to enable parents to make informed decisions about and facilitate access to available services. **(Doing what the County does best - providing critical daily services for your residents)**
- Improve integration of the child care and early years service system, particularly EarlyON programmes, with other community services. **(Making the best decisions for the betterment of the community)**
- Improve awareness and facilitate parents' access to child care fee subsidy, including simplifying processes for families applying for and receiving child care subsidy.  
**(Doing what the County does best - providing critical daily services for your residents)**

## Programme Overview

<b>Programme/Service:</b>	<b>Social Housing</b>
<b>Department:</b>	<b>Social Services</b>
<b>Governance:</b>	<b>Social Service Committee</b>

## Programme Description

- Administration and management of 1,189 County-owned social housing units for low income tenants
- Administration and funding of 1,411 non-profit and co-operative housing units owned by 18 non-profit housing corporations for low and moderate income tenants
- Administration of approximately 690 housing units under rent supplement agreements with landlords to reduce rents for low income tenants
- Coordinated Access - maintaining the Centralized Waiting List for social housing access
- Administration of Home Ownership agreements
- Homelessness Prevention Programme – Several housing stability programmes including rent bank, emergency energy funds, housing stability programme, emergency shelter payments, rent supplements, and agency grants are provided.
- Housing and Homelessness Plan – local community plan with strategic directions to support municipal and community outcomes in social/affordable housing and homelessness.
- As Consolidated Municipal Service Manager, the County delivers these services in a specific geographic area which includes both the County of Wellington and the City of Guelph. The net municipal cost is apportioned to the County and City based on the prior residence of the tenant.

## 2024 Budget Highlights

- The budget supports a significant investment to support rent supplement and homelessness initiatives.
- Staff updates include the addition of a Housing Data Analyst, Housing Stability Caseworker, Housing Trainer (one-year contract), and a Housing Project Manager (two-year contract).
- An increase to our county-owned units due to the rising costs of the material and labour required to maintain units in addition to the significantly damaged units and/or asbestos related repairs at the time of move-out.
- A reduction of \$500,000 in the transfer to the County's Shared Services Stabilization Reserve.
- Capital spending on County-owned social housing units totals \$57.1 million over the ten-year forecast.

### Programme Goals and Objectives

Under the Housing Services Act, the County is responsible for developing, approving and overseeing the implementation of a 10-year strategy called the Housing and Homelessness Plan (HHP). The HHP is responsible for setting the Affordable and Social Housing Programme goals and objectives:

- Help low-income households close the gap between their incomes and housing expenses. **(Doing what the County does best - providing critical daily services for your residents)**
- Provide a range of housing stability supports to assist with housing retention and homelessness prevention. **(Doing what the County does best - providing critical daily services for your residents)**
- Offer a comprehensive range of supportive housing options for residents with complex needs due to aging, disabilities, mental health issues and addictions. **(Doing what the County does best - providing critical daily services for your residents)**
- Increase the supply and mix of affordable housing options for low to moderate income households. **(Tackling a major community opportunity – housing)**
- End chronic homelessness. **(Tackling a major community opportunity – housing)**
- Promote client-centred, coordinated access to the housing and homelessness system. **(Doing what the County does best - providing critical daily services for your residents)**
- Support the sustainability of the existing social and affordable housing stock. **(Making the best decisions for the betterment of the community)**
- Foster access to culturally appropriate housing and homelessness services for Indigenous peoples. **(Doing what the County does best - providing critical daily services for your residents)**

## Programme Overview

<b>Programme/Service:</b>	<b>Affordable Housing</b>
<b>Department:</b>	<b>Social Services</b>
<b>Governance:</b>	<b>Social Services Committee</b>

## Programme Description

Under the Affordable Housing Programme the County provides the following services in both Guelph and Wellington:

- New Rental Housing – administer capital incentives to multi-residential owners to build and operate new rental housing for moderate income households available at affordable market rents.

This budget specifically reflects operating costs and revenues associated with County-owned affordable housing projects including:

- Fergusson Place, a 55-unit rental housing facility in Fergus
- Webster Place, a 55-unit rental housing facility in Fergus
- 182 George Street, a 10-unit rental housing facility in the village of Arthur
- 250 Daly Street, an 11-unit rental housing facility located in Palmerston
- An annual contribution to the Housing Development Reserve Fund

## 2024 Budget Highlights

Operating Budget:

- Budgeted rent collections from our Affordable Housing units are increasing by \$8,500.
- The transfer to the Housing Development Reserve is increased by \$200,000 to provide adequate funding for the creation of new affordable housing units in accordance with 10-year plan projections

Capital Budget:

- Facility improvements for County owned affordable housing total \$1.7 million over the ten-years and are funded through the Housing Capital Reserve and a portion of the National Housing Co-Investment Funding Grant.

## Performance Measures

Programme/Service:	Affordable Housing
Department:	Social Services
Governance:	Social Services Committee

### Programme Goals and Objectives

Under the Housing Services Act, 2011 the County is responsible for developing, approving and overseeing the implementation of a 10-year strategy called the Housing and Homelessness Plan (HHP). The goals and objectives of this strategy help prioritize the community's response to housing and homelessness issues in our community at the Service Manager level. It also provides guidance on priorities for how the County of Wellington and Wellington Housing Corporation develop and maintain the County owned housing portfolio. The HHP is responsible for setting the Affordable and Social Housing Programme goals and objectives:

- Help low-income households close the gap between their incomes and housing expenses.  
**(Tackling a major community opportunity – housing)**
- Offer a comprehensive range of supportive housing options for residents with complex needs due to aging, disabilities, mental health issues and addictions. **(Making the best decisions for the betterment of the community)**
- Increase the supply and mix of affordable housing options for low to moderate income households.  
**(Tackling a Major Community Opportunity – Housing; Making the best decisions for the betterment of the community)**
- Promote client-centred, coordinated access to the housing and homelessness system.  
**(Doing what the County does best - providing critical daily services for your residents)**
- Support the sustainability of the existing social and affordable housing stock.  
**(Tackling a major community opportunity – housing)**
- Foster access to culturally appropriate housing and homelessness services for Indigenous peoples.  
**(Doing what the County does best - providing critical daily services for your residents)**

### Performance Measures

In order to progress toward accomplishing the County's Strategic Action Plan and the Programme's goals and objectives, the following performance measures are considered:

	Projected 2024	Actual 2023	Actual 2022	Actual 2021
Number of affordable households that receive rent supports per year.*	35	30*	35*	29*
Number of new County of Wellington and Wellington Housing Corporation affordable housing units added to the portfolio per year.	0	0	0	4
Number of households in County of Wellington and Wellington Housing Corporation affordable housing units per year.**	135	135**	135**	131**

\* indicates that the numbers identified in this category are also included in the "Number of Households in Affordable Housing per year" under the Social Housing Performance Measures section of this Budget

\*\* indicates that the numbers identified in this category are also included in the "Number of Households that receive rent supports per year" under the Social Housing Performance Measures section of this Budget

## Programme Overview

<b>Programme/Service:</b>	<b>Wellington Terrace</b>
<b>Department:</b>	<b>Long-Term Care Homes</b>
<b>Governance:</b>	<b>Information, Heritage and Seniors Committee</b>

## Programme Description

Wellington Terrace is a 176 bed long-term care home located between Fergus and Elora, and is operated under the standards of care defined by the provincial Ministry of Health and Long Term Care.

Our Mission Statement reads “Together our team is committed to providing compassionate care, honouring the unique needs of each resident.”

## 2024 Budget Highlights

### Operating Budget:

- Grants and subsidies are increasing by \$1.9 million. This increase comes as a result of a continuation of a funding commitment from the province to increase direct hours of care (\$817,000), the inclusion of the PSW Wage Enhancement (\$563,000) and an increase in the level of care funding (\$382,000).
- Increases in salaries and wages include the following new positions: 2.6 Personal Support Worker (PSW) staff for Apple Valley, a Scheduling and Administration Clerk, increased hours for both the Environmental Services Worker and Cook positions. In addition to new positions, the budget includes PSW Wage Enhancement costs and adjustments to backfill and part time benefit assumptions.

### Capital Budget:

- Staff continue to plan for lifecycle replacements and repairs on building components and equipment. Projects for replacements total \$4.5 million over the ten years and are funding from the Wellington Terrace Capital reserve.

## Performance Measures

Programme/Service:	Wellington Terrace
Department:	Long-Term Care Homes
Governance:	Information, Heritage and Seniors Committee

### Programme Goals and Objectives

Wellington Terrace's mission is to provide compassionate care, honouring the unique needs of each individual. The following are included in the goals and objectives of Wellington Terrace's Quality Improvement Programme (QIP).

- Support residents with a cognitive impairment by providing care in a safe, caring and dignified manner. Our philosophy of care is that all behaviour has meaning. As such, staff strive to anticipate residents' needs and respond to them in a caring and compassionate way, preserving dignity for all residents.  
**(Doing what the County does best - providing critical daily services for your residents)**
- Support residents through the end of life journey with a focus on building a relationship with the resident and family in order to provide them the emotional support through the palliative experience.  
**(Doing what the County does best - providing critical daily services for your residents)**
- A core component of the quality programme includes monitoring groups for falls prevention, skin and wound care, continence care, palliative care, infection control and responsive behaviours. Registered Nurses provide leadership and mentorship to the interdisciplinary team in setting goals, implementing best practices and making recommendations for staff education.  
**(Doing what the County does best - providing critical daily services for your residents)**
- Monitor data reported through the Canadian Institute for Health Information (CIHI) to benchmark performance and set quality improvement targets.  
**(Making the best decisions for the betterment of the community)**
- Ensure improvement is an ongoing process by using an interdisciplinary approach where teams build on the work from the previous year by reviewing outcomes, trialing potential solutions, and collaborating across the home to ensure staff embrace the change ideas.  
**(Making the best decisions for the betterment of the community)**

### Performance Measures

In order to progress toward accomplishing the County's Strategic Action Plan and the Programme's goals and objectives, the following performance measures are considered:

## Programme Overview

<b>Programme/Service:</b>	<b>Country Library System</b>
<b>Department:</b>	<b>Library Services</b>
<b>Governance:</b>	<b>Wellington County Library Board</b>

## Programme Description

The Mission Statement of the Wellington County Library is to enhance the knowledge, skills, enterprise, and enjoyment of the people of Wellington County through the provision of high quality library services. Roles include:

- Popular Materials Library – featuring high demand, current, high interest materials in a variety of formats for persons of all ages.
- Reference Library – providing timely, accurate, and useful information for community residents.
- Preschoolers' Door to Learning – encouraging young children to develop an interest in reading and learning through services to children and for adults and children together.
- Independent Learning Centre – supporting all individuals of all ages in pursuing a sustained programme of learning, independent of any educational provider.

The Wellington County Library System is comprised of 14 branches: Aboyne, Arthur, Clifford, Drayton, Elora, Erin, Fergus, Harriston, Hillsburgh, Marden, Mount Forest, Palmerston, Puslinch, and Rockwood. The library courier delivers materials to all of the branches, so that all County residents have equal access to the entire collection.

## 2024 Budget Highlights

### Operating Budget:

- A full year of the Information Services Librarian added in late 2023 to increase community outreach and promotion of library programmes and services
- Increased building maintenance costs related to air quality improvements made during the pandemic

### Capital Branch Improvements:

- The remaining \$7.3 million of a \$12.9 million budget is included for the construction of a new Erin Branch (2023-2024).
- Lifecycle replacement for building components at various branches total \$5.2 million and are scheduled throughout the forecast.

### Capital Programme Enhancements:

- The Courier Van is scheduled for replacement in 2030. The budget accounts for an electric vehicle purchase reflecting preliminary Corporate Climate Change initiatives.
- The Library Master Plan in 2025 intends to review all aspects of library services and make recommendations for future improvements.
- Provisions for future technology advancements and furnishing replacements are included throughout the forecast.

## Programme Overview

<b>Programme/Service:</b>	<b>Museum and Archives at Wellington Place</b>
<b>Department:</b>	<b>Wellington County Museum and Archives</b>
<b>Governance:</b>	<b>Information, Heritage and Seniors Committee</b>

## Programme Description

- The mission of the Wellington County Museum and Archives (WCMA) is to serve as a cultural centre providing resources, programmes, exhibits, support and services for the historical, educational and artistic interests of the communities of Wellington County.
- The WCMA is a National Historic Site, housed in the oldest surviving rural House of Industry and Refuge in Canada, and is mandated to preserve and interpret this national treasure.
- The WCMA collects, preserves, researches, interprets and exhibits artifacts and records that document the settlement and development of the County of Wellington.
- The WCMA offers year round programming including curriculum-based school programmes, workshops and lectures, festivals and special events, and outreach. Special cultural partnerships bring other events like the Insights Juried Art Show to the WCMA.
- The County Archives is the designated repository for the historical records of the County of Wellington and its member municipalities. The Archives provides primary and secondary research materials for a variety of users including students, teachers, genealogists, historical society members, the press and the general public.
- WCMA rents its facilities for weddings, corporate meetings, celebrations of life, and more.
- Wellington Place incorporates the land and infrastructure surrounding the Museum and Archives comprising 195 acres for which the Wellington Place Administrator is responsible for managing.

## 2024 Budget Highlights

### Operating Budget

- Includes a one-time allocation for the Dinosaur Exhibit in 2024
- The addition of two summer students to assist with activities, events and programming at the Museum.

### Capital Budget

## Programme Overview

<b>Programme/Service:</b>	<b>Planning and Land Division</b>
<b>Department:</b>	<b>Planning</b>
<b>Governance:</b>	<b>Planning and Land Division Committee</b>

## Programme Description

- This budget covers the operation of the Planning Department (development services and policy division), the Land Division Committee, County Weed Inspectors and Tree Conservation Officers, as well as mapping/GIS projects, trail development and County Forest Management.
- The budget also includes funding for the Rural Water Quality Programme in partnership with the Grand River Conservation Authority; and the funding of the Wellington Source Water Protection Programme which includes the Risk Management Officer employed by the Township of Centre Wellington.
- The Climate Change and Sustainability Division also falls within the Planning Department. This was developed as a result of Council's support of Future Focused - a Climate Change Mitigation Plan for the County of Wellington.

## 2024 Budget Highlights

### Operating Budget:

- User fees and charges have been increased by \$48,100 to reflect 2024 rates
- The addition of a co-op student to assist in planning activities during the year
- The budget includes an increase towards the Source Water Protection programme (\$80,000), to account for the annualization of the Source Water Protection Coordinator added in 2023, additional funding to the Waterloo Wellington Children's Groundwater Festival, as well as additional monitoring and analysis projects in 2024.

### Capital Budget:

- Continued investment in updates to the Official Plan to ensure conformity with provincial policy
- An Economic Development Area Study (2024) to identify areas for future employment development and other uses in Puslinch
- Corporate Climate Change related capital initiatives total \$2.0 million and are included in 2024-2027 of the forecast.

## Performance Measures

Programme/Service:	Planning and Land Division
Department:	Planning
Governance:	Planning and Land Division Committee

### Programme Goals and Objectives

The Wellington County Official Plan identifies the following concepts as fundamental beliefs:

- **Sustainable Development** that meets the need of the present without compromising the ability of future generations to meet their own need.  
(Making the best decisions for the betterment of the community)
- **Land Stewardship** recognizes that preserving natural features and protecting the environment is a shared value between government, community groups and land owners. County Council believes that all landowners are entitled to reasonable use and enjoyment of their land but they are also stewards of the land with responsibility to the community for the long term environmental health of their land.  
(Making the best decisions for the betterment of the community)
- **Healthy Communities** are those which foster physical, mental, social and economic well being, provide residents with a sense of control over decisions which affect them, are designed to reduce the stress of daily living and meet the life-long needs of its residents and makes accessible employment, social, health, educational and recreational opportunities to all segments of the community.  
(Doing what the County does best - providing critical daily services for your residents)

The County of Wellington Climate Change Mitigation Plan strives to integrate climate change into our decision-making by developing actions and policy to lead the community in the reduction of greenhouse gas emissions through the following goals and objectives:

- **Communicate** - develop a common understanding of climate change and climate change action to improve our collective climate literacy. (Making the best decisions for the betterment of the community)
- **Connect** - leverage and expand interconnections across all levels of the community and corporation to build social infrastructure and support climate change action.  
(Making the best decisions for the betterment of the community)
- **Build** - create policy, tools and programmes to support and amplify climate change action  
(Making the best decisions for the betterment of the community)
- **Act** - implement actions to support climate change prevention and preparedness by and for community members and the corporation.  
(Doing what the County does best - providing critical daily services for your residents)
- **Assess and Evaluate** - develop and report on metrics to measure the County's progress on reducing greenhouse gas emission and lowering climate change risk. Utilize measurements to iterate and inform climate actions. (Making the best decisions for the betterment of the community)

### Performance Measures

In order to progress toward accomplishing the County's Strategic Action Plan and the Programme's goals and objectives, the following performance measures are considered:

## Programme Overview

<b>Programme/Service:</b>	<b>Green Legacy</b>
<b>Department:</b>	<b>Planning</b>
<b>Governance:</b>	<b>Planning and Land Division Committee</b>

## Programme Description

- The mission of the Green Legacy programme is to inspire and enable the Wellington County community to grow and plant trees to improve our environment for future generations.
- The Green Legacy is a dynamic programme that includes the growing of trees and community involvement in the process. The programme was established in 2004 and by the spring of 2022, over three million trees will have been distributed and planted within the County.
- Trees produced are distributed to Wellington County landowners, municipalities, organizations, schools and conservation authorities for planting in the County.

## 2024 Budget Highlights

### Operating Budget:

- Seedling sales revenue from the Green Legacy programme have been decreased by \$20,000 in 2024 as the County had anticipated supplying more trees to the City of Guelph than has occurred.
- The budget includes increases to staffing costs as a portion of seasonal tree nursery workers were offered additional hours to meet minimum requirements to qualify for full-time benefits. This will assist in recruitment and retention of these positions going forward.

### Capital Budget:

- The 2024-2033 capital budget forecast includes end of lifecycle vehicle and equipment replacements totalling \$515,000.
- Future years plan for the replacement of vehicles with electric vehicles.
- Rehabilitation projects for the parking lot and HVAC System at the Southern Tree Nursery (\$285,000)

## Performance Measures

Programme/Service:	Green Legacy
Department:	Planning
Governance:	Planning and Land Division Committee

### Programme Goals and Objectives

Green Legacy provides trees and volunteer experiences for students and the community of Wellington.

- Provide 175,000 high quality trees a year to residents of the County of Wellington.  
**(Doing what the County does best - providing critical daily services for your residents)**
- Provide a work and educational experience for all students from K-8 in the Upper Grand District School Board and the Wellington Catholic School Board.  
**(Doing what the County does best - providing critical daily services for your residents)**
- Provide volunteer opportunities for residents of Wellington County to assist in the production of Green Legacy trees. **(Doing what the County does best - providing critical daily services for your residents)**
- Provide trees and expertise to Wellington County member municipalities, conservation authorities and service groups. **(Doing what the County does best - providing critical daily services for your residents)**

### Performance Measures

In order to progress toward accomplishing the County's Strategic Action Plan and the Programme's goals and objectives, the following performance measures are considered:

	Projected 2024	Actual 2023	Actual 2022	Actual 2021
# of high quality trees planted per year	175,000	166,050*	156,318*	173,628
# of students (grades K-8) involved in Green Legacy events	8,000	7,580*	2,818*	0*
# of volunteers involved in Green Legacy events	550	507*	144*	0*
# of trees provided to municipalities, conservation authorities and service	30,000	26,623*	29,454*	28,050

\*COVID-19 Restrictions adversely affected volunteer opportunities and community projects

## Programme Overview

<b>Programme/Service:</b>	<b>Community Emergency Management</b>
<b>Department:</b>	<b>Planning</b>
<b>Governance:</b>	<b>Planning and Land Division</b>

## Programme Description

- The aim of emergency management is to address increasing public safety risks in Ontario communities by developing or improving emergency management programmes based upon international best practices.
- Emergency Management programmes include conducting training exercises; creating public awareness and education; and establishing an emergency response plan approved by Council.
- The programme also requires hazard identification and risk assessment for each municipality in the County. The responsibility for the development, implementation and maintenance of community emergency programmes is vested with the Community's Emergency Management Coordinator, who also acts as the CEMC for all seven member municipalities.

## 2024 Budget Highlights

### Operating Budget:

- Fire safety training, which is funded by the County on behalf of all seven local municipalities, is continued throughout 2024-2033
- Purchased services includes a one-time increase of \$7,500 towards the Rural Green Sign replacement project - as approved at the October 2023 Planning Committee
- Annual subscription to the Weather Alert communication system, cost shared with the Roads Department

### Capital Budget:

- Continued programme funding for paging site batteries, generator replacements and radio replacements (\$235,000 in 2026 - 2028)
- Vehicle replacement with an electric vehicle scheduled for 2028

## Performance Measures

Programme/Service:	Community Emergency Management
Department:	Planning
Governance:	Planning and Land Division

### Programme Goals and Objectives

The Wellington County and Member Municipality Emergency Response Plan outlines the five components of a risk based management approach:

- Prevention – actions taken to stop an emergency or disaster from occurring.
- Mitigation – actions taken to reduce the adverse impacts of an emergency or disaster.
- Preparedness – actions taken prior to an emergency or disaster to ensure an effective response.
- Response – the provision of emergency services and public assistance or intervention during or immediately after an incident in order to protect people, property, the environment, the economy and/or critical infrastructure.
- Recovery – the process of restoring a municipality including its residents, economy, environmental, critical infrastructure to a new normal and considering opportunities to build back better.

Wellington County has developed a risk-based emergency management programme that consists of the following prescribed elements that may include these five components:

- Development of Emergency Response (ER) Plans including Risk-based Emergency Response Plans and Service Continuity Plans. **(Doing what the County does best - providing critical daily services for your residents)**
- Training for members of the Municipal Emergency Control Groups (MECG), support staff, and partner agencies and organizations. **(Cherishing the County's most valued asset - its Staff)**

## Programme Overview

<b>Programme/Service:</b>	<b>Police Services</b>
<b>Department:</b>	<b>Provided under contract by Ontario Provincial Police</b>
<b>Governance:</b>	<b>Police Services Board</b>

## Programme Description

- Wellington County was the first municipality in Ontario to have a County-wide policing contract with the Ontario Provincial Police (OPP), has the largest single contract location in the OPP, and is the second largest OPP detachment in the Province. The provincial billing model splits policing costs into a Base Service – with a cost based on the number of properties in the County and a Calls for Service component that is variable from year-to-year based on the proportion of calls the OPP takes in the County in relation to the overall provincial workload.
- Officers are based out of County-owned facilities in Aboyne, Rockwood and Teviotdale. The Traffic Management Unit is staffed by one sergeant and six constables, and promotes an enhanced level of road safety throughout the County.
- Governance of policing services is provided by the Wellington County Police Services Board which is comprised of the Warden, one County Councillor, one individual appointed by the County and two provincial appointees.

## 2024 Budget Highlights

- The 2024 policing contract estimate of \$17,895,500 is up by 1.5% from 2023. The transfer payment line has been reduced by \$450,000 as a provision for the OPP contract reconciliation.
- Due to the moratorium on new uniform officer hiring while the OPP is working on a new service delivery model – it is recommended that the funds earmarked for one uniformed officer in 2024 be redirected to a new civilian media position with an April 2024 start date. The new Media Relations Coordinator is expected to cost just under \$107,000 in the 2024 budget.
- The budget also includes the cost of the Police Services Board; administration of parking tickets and false alarms; additional police related revenues including reference checks, the cost of County-owned facilities; and annual grants to Safe Communities and Project Lifesaver.
- The 2024-2033 capital budget includes facility improvements and equipment replacements at the three County-owned detachments.

### Programme Goals and Objectives

The OPP has created a new Strategic Plan which supports our vision of Safe Communities...A Secure Ontario. The OPP Strategic Plan enhances our commitment to public safety through the delivery of proactive and innovative policing, in partnership with the communities we serve. The vision, mission and values of the OPP align with the needs of Wellington County.

We are committed to collaborating with our community partners to enhance our robust embedded clinician programme. The Integrated Mobile Police and Crisis (IMPACT) programme delivers appropriate care at the right time and in the right place. Wellington County has additionally partnered with the Canadian Mental Health Association (CMHA) in the creation of the Support after Suicide Programme.

Wellington County OPP is committed to supporting our work, our people and our communities. As a responsive and evolving detachment, we will partner with stakeholders in the creation of a traffic management plan to address the needs of our growing community. Our Plan in Wellington County is vision focused – mission driven – values based. By protecting our citizens, upholding the law and preserving public safety, we can deliver not just effective but the highest level and best quality professional police service to the residents of Wellington County.

- Reduce the victimization from instances of sexual violence in our communities. **(Doing what the County does best - providing critical daily services for your residents)**
- To address and prevent illicit drug crimes in our communities. **(Doing what the County does best - providing critical daily services for your residents)**
- To address and prevent property crime. **(Doing what the County does best - providing critical daily services for your residents)**
- Sustain a continuous year-round focus on the causal factors of motorized vehicle collisions. **(Doing what the County does best - providing critical daily services for your residents)**
- To identify co-response solutions for non-police-related demands for service that impact police resourcing. **(Making the best decisions for the betterment of the community)**
- To develop transfer of care protocols with relevant healthcare facilities. **(Making the best decisions for the betterment of the community)**
- To streamline collision reporting **(Making the best decisions for the betterment of the community)**

## Programme Overview

<b>Programme/Service:</b>	<b>Provincial Offences Act Administration</b>
<b>Department:</b>	<b>Administered by the City of Guelph</b>
<b>Governance:</b>	<b>Administration, Finance and Human Resources Committee</b>

## Programme Description

---

- The City of Guelph, through its Court Services Division, delivers Provincial Offences Act (POA) administration on behalf of the County and its member municipalities.
- Responsibility for POA administration was transferred to municipalities in 1998.
- The County shares in the net revenue from the operation, which is distributed between the City and County based on the location of each offence.
- The majority of fine revenue is generated from offences under the Highway Traffic Act.

## 2024 Budget Highlights

---

- Net fine revenue to the County has been estimated at \$283,300. These estimates based on information received from the City of Guelph.
- The 2024 – 2033 capital budget includes the County's portion of:
  - Court Services Facility renewal project at \$500,000. This project will continue masonry restoration above and below grade, complete with window repairs and other work to maintain heritage attributes.
  - Capital equipment replacements totalling \$782,000 over ten years.
  - POA capital is funded through the General Capital Reserve.

## Programme Overview

<b>Programme/Service:</b>	<b>Land Ambulance</b>
<b>Department:</b>	<b>Administered by the City of Guelph</b>
<b>Governance:</b>	<b>Administration, Finance and Human Resources Committee</b>

## Programme Description

- Land Ambulance has been a municipal financial responsibility since 1998.
- The City of Guelph is the designated delivery agent for the service delivery area comprising Guelph and Wellington County.
- All ambulance staff are employees of the City of Guelph.
- The Ministry of Health and Long Term Care provides grants for ambulance services based on 50% of the prior year's operating expenditures.
- The City and County share the net municipal cost based on the proportion of call codes 1-4 in each municipality.

## 2024 Budget Highlights

### Operating Budget

- The budget includes hiring nine additional paramedics in each of 2024 and 2026. The additional positions are intended to mitigate pressures from increased call volumes and assist with meeting response time targets. The County's share of the increased costs are funded reserves until provincial funding increases (province funds 50% of land ambulance services based on prior years' budget).
- The decrease in the transfer to reserve line reflects the completion of the paramedic site renovations in Drayton where the costs were covered by the City through a one-time grant.
- The County funds approximately 37.4% (2023 budget—38.1%) of the municipal share of Land Ambulance expenditures based on calls for service, and has a levy requirement of \$6.5 million in 2024.

### Capital Budget

- The capital forecast includes a proposal to build four new ambulance facilities throughout the County (plus additional facilities outside the 10-years) and lease back to the Ambulance Service through the City. Station construction projects have been delayed until the City's Ambulance Master Plan is completed (2027).
- Proposed locations include: Erin (2027/28), Guelph/Eramosa (2029/30), Arthur (2031/32), Drayton (2033/34). Design and construction for the four stations in the current 10 year plan is budgeted at \$27.1 million.
- In addition, there are two station rehabilitation projects located within the City of Guelph: Elmira Road and Gordon Street with the County's share at \$4.8 million, funded through a mix of Ambulance Reserve contributions and debt.
- The County contributes approximately 40% of capital costs for City projects for replacement ambulances, ambulance equipment and ambulance related IT replacements. Total County costs over the ten-years of \$5.3 million is funded through the Ambulance Reserve.

## Programme Overview

<b>Programme/Service:</b>	<b>Public Health</b>
<b>Department:</b>	<b>Wellington-Dufferin-Guelph Public Health</b>
<b>Governance:</b>	<b>Board of Health</b>

## Programme Description

- Public Health services are delivered by Wellington-Dufferin-Guelph Public Health (WDGPH) in accordance with the Health Protection and Promotion Act and the Ontario Public Health Standards and Protocols published by the Ministry of Health and Long-Term Care.
- WDGPH was formed in 1967 and is governed by an autonomous Board of Health consisting of municipal and provincial appointees. The County of Wellington appoints three members to the Board.
- WDGPH receives an annual operating grant from the Province of Ontario, and the net municipal cost is funded by the City of Guelph (46.7%), the County of Wellington (31.7%) and the County of Dufferin (21.6%) in proportion to their population. These proportions reflect the 2021 census figures.
- Services and/or administration are currently provided from four locations throughout Wellington and Dufferin Counties and the City of Guelph: in Wellington County at Wellington Terrace; in Dufferin County at offices in Shelburne and Orangeville; and in Guelph at the Chancellors Way facility.
- WDGPH owns two of the four facilities, located at 180 Broadway in Orangeville, and 160 Chancellors Way in Guelph. A portion of the cost of construction was funded through a financing agreement between WDGPH, the County of Wellington, the County of Dufferin, and the City of Guelph. WDGPH makes annual loan repayments to each of the three municipalities which are deducted from the annual municipal levy. The loan will be completely repaid in 2024, with a blended payment of \$306,176 to the County of Wellington.

## 2024 Budget Highlights

- The County of Wellington's share of the gross municipal levy for WDGPH in 2024 is \$3,005,606. The annual loan repayment of \$306,176 is deducted from that amount, for a net transfer in 2024 of \$2,699,427.
- This represents an increase of 2.6% (\$76,165) from the 2023 gross levy.
- The County's debt issue for the funds loaned to public health to build the Guelph and Orangeville facilities was fully paid off in 2023 using funds from the Public Health Debt Retirement Reserve Fund, eliminating approximately \$346,000 in annual principal and interest payments from the operating budget.
