

## PUBLIC NOTICE OF PESTICIDE USE

The County of Wellington intends to control noxious weeds along the following rural roadsides within their jurisdiction: all County roads within the Town of Erin, Township of Guelph/Eramosa, Township of Puslinch and in the Township of Centre Wellington - WR18, WR21, WR22, WR26, WR29.

The following pesticides registered under the Pest Control Products Act (Canada) will be used:

ClearView Herbicide (Registration Number 29752), which contains the active ingredients Aminopyralid (present as potassium salt), and Metsulfuron – methyl, in combination with Gateway Adjuvant (Registration Number 31470), which contains the active ingredients Paraffinic Oil, and Alkoxylated alcohol non-ionic surfactants.

Navius FLEX Herbicide (Registration Number 30922), which contains the active ingredients Metsulfuron – methyl and Aminocyclopyrachlor in combination with Hasten NT Ultra Spray Adjuvant (Registration Number 31760), which contains the active ingredients Methyl and ethyl oleate (esterified vegetable oil).

Commencing, May 20, 2024 (weather permitting) and ending June 30, 2024.

We are controlling noxious weeds under Public Works Exemption of the Cosmetic Pesticides Ban for the promotion of public health or safety.
