- 18 THAT prior to final approval by the County of Wellington, the Owner remit to the County of Wellington the applicable final approval fee which is in effect at the time of presentation of the final plan for final approval.

NOTES to DRAFT APPROVAL

1. It is the applicant's responsibility to fulfill the conditions of draft approval and to ensure that the required clearance letters are forwarded by the appropriate agencies to the County of Wellington, quoting the County plan of subdivision file number (23CD-23001).
2. Clearances are required from the following agencies:
Township of Centre Wellington
Enbridge Gas
Centre Wellington Hydro
Wellington County Solid Waste Services

If the agency condition relates to a condition(s) in the subdivision agreement, a copy of the subdivision agreement should be sent to them. This will expedite the clearance of the final plan.
3. The costs of any relocations or revisions to Hydro facilities which are necessary to accommodate this subdivision will be borne by the developer.
4. An electrical distribution line operating at below 50,000 volts might be located within the area affected by this development or abutting this development. Section 186 - Proximity - of the Regulations for Construction Projects in the *Occupational Health and Safety Act*, requires that no object be brought closer than 3 metres (10 feet) to the energized conductor. It is the proponent's responsibility to be aware, and to make all personnel on site aware, that all equipment and personnel must come no closer than the distance specified in the Act. They should also be aware that the electrical conductors can raise and lower without warning, depending on the electrical demand placed on the line. Warning signs should be posted on the wood poles supporting the conductors stating "*DANGER - Overhead Electrical Wires*" in all locations where personnel and construction vehicles might come in close proximity to the conductors.
5. The Owner is advised to contact Bell Canada at planninganddevelopment@bell.ca during the detailed utility design stage to confirm the provision of communication/telecommunication infrastructure needed to service the development.
6. It shall be noted that it is the responsibility of the Owner to provide entrance/service duct(s) from Bell Canada's existing network infrastructure to service this development. In the event that not such network infrastructure exists, in accordance with the Bell Canada Act, the Owner may be required to pay for the extension of such network infrastructure.
7. If the Owner elects not to pay for the above noted connection, Bell Canada may decide not to provide service to this development.
8. Measurements in final plans may be presented in metric or imperial units of measurement.
9. The final plan approved by the County of Wellington must be registered within 30 days of final approval or the County of Wellington may withdraw its approval under subsection 51(59) of the Planning Act, R.S.O. 1990 as amended.

10. The Developer is hereby advised that prior to commencing any work within the Plan, the Developer must confirm that sufficient wire-line communication/telecommunication infrastructure is currently available within the proposed development to provide communication/telecommunication service to the proposed development. In the event that such infrastructure is not available, the Developer is hereby advised that the Developer may be required to pay for the connection to and/or extension of the existing communication/telecommunication infrastructure, the Developer shall be required to demonstrate to the municipality that sufficient alternative communication/telecommunication facilities are available within the proposed development to enable, at a minimum, the effective delivery of communication/telecommunication services for emergency management services (i.e. 911 Emergency).
11. Payment of clearance letter fees may be required from the clearing agencies before the clearance letter is issued. Please contact the appropriate agency for information in this matter.
