INDEPENDENT AUDITORS' REPORT

To the Members of Council, Inhabitants and Ratepayers of the Corporation of the County of Wellington

Opinion

We have audited the consolidated financial statements of The Corporation of the County of Wellington (the Entity), which comprise:

- the consolidated statement of financial position as at December 31, 2021
- the consolidated statement of operations and accumulated surplus for the year then ended
- the consolidated statement of changes in net financial assets for the year then ended
- · the consolidated statement of cash flows for the year then ended
- and notes to the consolidated financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the consolidated financial position of the Entity as at December 31, 2021, and its consolidated results of operations, its consolidated changes in net financial assets and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "Auditors' Responsibilities for the Audit of the Financial Statements" section of our auditors' report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

Page 2

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

 Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Page 3

- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of
 expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the
 planned scope and timing of the audit and significant audit findings, including any
 significant deficiencies in internal control that we identify during our audit.

The County of Wellington (the County) is an upper-tier municipality in the Province of Ontario, Canada. The County is comprised of seven member municipalities: the Towns of Erin and Minto, and the Townships of Centre Wellington, Guelph/Eramosa, Mapleton, Puslinch and Wellington North.

1. ACCOUNTING POLICIES

The consolidated financial statements of the County of Wellington are prepared by management in accordance with Canadian generally accepted accounting principles for governments as recommended by the Public Sector Accounting Board (PSAB) of the Canadian Institute of Chartered Accountants. Significant accounting policies adopted by the County are as follows:

a) Basis of Consolidation

(i) Consolidated Entities

These consolidated statements include the activities of all committees of Council and the following boards and municipal corporation which are under the control of Council:

Wellington County Police Services Board

Wellington County Public Library Board

Wellington Housing Corporation (WHC)

All interfund assets and liabilities and sources of financing and expenses have been eliminated with the exception of loans or advances between reserve funds and any other fund of the municipality and the resulting interest income and expenses.

Under PSAB standards, the County reports only its share of assets, liabilities and results of operations of any government partnerships in which it participates. The County participates in the Wellington-Dufferin-Guelph Health Unit to the extent of 32.0% (2019-32.0%) based on population, as stated in the agreement with the other participants, the City of Guelph and the County of Dufferin.

(ii) Trust Funds

Trust funds and their related operations administered by the County are not consolidated, but are reported separately on the Trust Funds Statement of Financial Position and Statement of Operations.

b) Basis of Accounting

(i) Accrual Basis of Accounting

The County follows the accrual method of accounting for revenues and expenses. Revenues are normally recognized in the year in which they are earned and measurable. Expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and/or the creation of a legal obligation to pay.

(ii) Investments

Cash and cash equivalents

Cash and cash equivalents are comprised of the amounts held in the County's bank accounts and investments with an original maturity date of three months or less.

Portfolio Investments

Investments with an original maturity date of more than three months are reported as portfolio investments. Investments and pooled investments are reported using the cost method. Discounts and premiums arising on the purchase of these investments are amortized over the term of the investments. Provisions for declines in the market value of investments are recorded when they are considered to be other than temporary. Declines in

the market values of investments are considered to be other than temporary when the carrying value exceeds market value for more than three years.

(iii) Loans Receivable

In accordance with PS 3050 loans receivable are recorded at cost less any amount for valuation allowance. Valuation allowances are made when collection is in doubt as assessed by Management. (Note 3)

(iv) Deferred Revenue

In accordance with PSAB requirements obligatory reserve funds are reported as a component of deferred revenue. The County has obligatory development charge reserve funds in the amount of \$6,948,539 (2020-\$4,736,256). These funds have been set aside, as required by the Development Charges Act, to finance a portion of the cost of growth-related capital projects. Revenue recognition occurs after the funds have been collected and when the County has incurred the expenses for the capital works for which the development charges were raised (Note 5).

Unexpended funds of \$6,785,022 (2020 - \$5,543,456) received by the County from the Canada Community Building Fund (previously Federal Gas Tax) are reported as deferred revenue and will be recognized as revenue in the fiscal year in which the eligible expenses are incurred. Unexpended funds of \$50,502 (2020-\$1,330,613) received by the County under the Ontario Capital Infrastructure Fund are reported as deferred revenue and will be recognized as revenue in the fiscal year in which the eligible expenses are incurred.

(v) Solid Waste Landfill Closure and Post-Closure Liability

Under PS 3270, a liability must be recognized for all closure and post-closure costs associated with all inactive and active landfill sites. The estimated liability for the care is the present value of future cash flows over a rolling 30-year (previously 25-year) period discounted using the County's long term borrowing rate at the end of each year.

(vi) Taxation

Under PS3510, taxes receivable and tax revenue are recognized when they meet the definition of an asset, the tax is authorized and the taxable event has occurred (Note 13).

(vii) Government Transfers

Under PS3410, government transfers received relate to social services, police, health and cultural programmes. Transfers are recognized in the financial statements as revenues in the period in which events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be made (Note 14).

(viii) Contaminated Sites

Under PS 3260, contaminated sites are defined as the result of contamination being introduced in air, soil, water or sediment of a chemical, organic, or radioactive material of live organism that exceeds an environment standard. This Standard relates to sites that are not in productive use and sites in productive use where an unexpected event resulted in contamination.

(ix) Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the period. Significant estimates include assumptions used in estimating provisions for accrued liabilities, landfill closure and post-closure liability, actuarial valuations of employee future benefits, and the historical cost and useful lives of tangible capital assets. Actual results could differ from these estimates.

c) Physical Assets

(i) Tangible Capital Assets

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets, excluding land and landfill sites, is amortized on a straight line basis over their estimated useful lives as follows:

| | | Useful Life - |
|-----------------------------|----------------------------------|----------------|
| Major Asset Classification | Component Breakdown | Years |
| Land | | N/A |
| Landfill Sites | | N/A - Based on |
| | | usage |
| Buildings | Structure | 15 to 50 |
| | Exterior | 20 to 50 |
| | Interior | 15 to 25 |
| | Site Elements | 10 to 30 |
| | Leasehold Improvements | Lease Term |
| Infrastructure | | |
| | Roads and Parking Lots - Asphalt | 20 |
| | Roads and Parking Lots - Gravel | 50 |
| | Roads - Base | 50 |
| | Bridges - Surface | 20 |
| | Bridges and Culverts - Structure | 50 |
| | Structural Walls | 50 |
| | Trails | 20-50 |
| | Traffic Signals, Street Signs, | |
| | Outdoor Lighting | 20 |
| Vehicles & Machinery | Licensed Equipment | 7 |
| ì | Unlicensed Equipment | 15 |
| | Machinery and Equipment | 7 to 20 |
| Furniture & Fixtures | | 5 to 15 |
| Technology & Communications | | 4 to 20 |
| Library Books and Media | | 5 |

Landfill sites are amortized using the units of production method based upon capacity used during the year.

Assets under construction are not amortized until the asset is available for productive use.

(ii) Contributions of Tangible Capital Assets

Tangible capital assets received as contributions are recorded at their fair value at the date of receipt and are also recorded as revenue. The value of assets contributed in 2021 is \$3,000,000 (2020 - \$0).

(iii) Works of Art and Cultural and Historic Assets

Works of art and cultural and historic assets are not recorded as assets in these financial statements. The County's art collection includes approximately 1,300 pieces, either created by a significant Wellington County artist and/or depicting Wellington County subject matter. The Museum's collection contains over 21,000 artifacts. The Archives' collection contains over 103,000 photographs, as well as maps, microfilm and audio-visual media. Both collections relate to the history of Wellington County and are fully catalogued with appraised values in the County's collections database. The collection is maintained and stored at the Wellington County Museum & Archives as per Provincial Standards for Ontario Museums.

(iv) Interest Capitalization

Borrowing costs incurred as a result of the acquisition, construction and production of an asset that takes a substantial period of time to prepare for its intended use are capitalized as part of the cost of the asset.

Capitalization of interest costs commences when the expenses are being incurred, borrowing costs are being incurred and activities that are necessary to prepare the asset for its intended use are in progress. Capitalization is suspended during periods in which active development is interrupted. Capitalization ceases when substantially all of the activities necessary to prepare the asset for it intended use are complete. If only minor modifications are outstanding, this indicates that substantially all of the activities are complete.

The capitalized interest costs associated with the acquisition or construction of tangible capital assets during the year was \$0 (2020 - \$0).

(v) Leased Tangible Capital Assets

Leases which transfer substantially all of the benefits and risks incidental to ownership of property are accounted for as leased tangible capital assets. All other leases are accounted for as operating leases and the related payments are expensed as incurred.

(vi) Inventories of Supplies

Inventories of supplies held for consumption are recorded at the lower of cost and replacement cost.

(vii) Tangible Capital Assets recorded at Nominal Value

Under PS 3150.42 the County has no assets recorded at nominal value.

2. TRUST FUNDS

Trust funds administered by the County amounting to \$103,264 (2020 - \$122,848) have not been included in the Consolidated Statement of Financial Position, nor have their operations been included in the Consolidated Statement of Financial Activities.

3. CASH AND CASH EQUIVALENTS AND PORTFOLIO INVESTMENTS

Total cash and cash equivalents of \$56,020,725 (2020 - \$46,410,515) are reported on the Consolidated Statement of Financial Position at cost.

Total portfolio investments of \$113,664,072 (2020 - \$96,976,239) are reported on the Consolidated Statement of Financial Position at cost and have a market value of \$116,760,588 (2020 - \$101,528,482).

At December 31, 2021 the County had two credit facilities arrangements. Facility 1 is \$5,000,000 by way of loans with an interest rate of prime less 0.50% and remains undrawn at December 31, 2021. Facility 2 is \$500,000 by way of Letters of Credit. The aggregate of Facility 1 and Facility 2 may not exceed \$5,000,000 at any time.

On November 15, 2019, an irrevocable Standby Letter of Credit was issued to finance the Badley (Metcalfe Street) bridge replacement in favour of the Receiver General for Canada on behalf of Fisheries and Oceans Canada in the amount of \$201,900. The annual interest rate is 1.35% on any outstanding amounts. In January of 2021, the Letter of Credit was reduced by \$66,500 leaving a balance of \$135,400.

4. LOANS RECEIVABLE

(i) Cost Sharing Agreements with the Township of Centre Wellington

In 2010 the County entered into a cost sharing agreement with the Township of Centre Wellington and Groves Memorial Hospital to fund three phases of a Community Planning Area sub-watershed Study. The County funds the work upfront and is repaid by the Township at 54% and the Hospital at 6%. In 2011 phase 1 was completed and in 2012 phase 2 was completed. The Township will repay the County over 10 years, interest free, from year of completion and the Hospital will repay the County through the Township at the time of building permit issuance which occurred in 2017. The amount to be repaid to the County as at December 31, 2021 was \$13,230 (2020 - \$28,080).

In 2015, the County and the Township of Centre Wellington agreed to share soil remediation costs for the Fergus Library Expansion Project. The land, originally owned by the Township of Centre Wellington was remediated by the County upfront and will be repaid by the Township at 60%. The Township will repay the County over ten years, interest free, starting in 2016. The amount to be repaid to the County as at December 31, 2021 was \$56,304 (2020 - \$70,380).

(ii) Keep Well - Emergency Business Sustainability Fund

In 2020, the County also established the Keep Well – Emergency Business Sustainability Fund to provide up to \$1,000,000 in low-interest loans (3%) to support local businesses. The County has entered in to agreements with the Wellington-Waterloo Community Futures Development Corporation (WWCFDC) and the Saugeen Economic Development Corporation (SEDC) to administer these loans. The total loans advanced in 2020 were \$891,400 (WWCFDC \$740,400, SEDC \$151,000). The total principal repaid in 2021 was \$194,436 (WWCFDC \$146,311. SEDC \$48,125) (2020 - total \$36,356, WWCFDC \$32,042, SEDC \$4,314) leaving an outstanding balance at December 31, 2021 of \$660,608 (WWCFDC \$562,046, SEDC \$98,561) (2020-total \$855,044, WWCFDC \$708,358, SEDC \$146,686). Of these outstanding balances only one loan was considered at risk of non-repayment and an allowance has been set up in the amount of \$8,000.

6. LANDFILL SITE CLOSURE AND POST-CLOSURE LIABILITY

The County is responsible for all aspects of solid waste management. As of December 31, 2021 there were 16 closed landfill sites (of which 5 locations were operating as transfer stations) and 1 active landfill site. The total estimated expenditure (on a discounted basis) for closure and post-closure care as of December 31, 2021 is \$11,783,831 (2020- \$8,660,292). The amount reported on the Consolidated Statement of Financial Position as of December 31, 2021 is \$10,190,146 (2020 - \$8,613,565) and the amount remaining to be recognized is \$1,593,685 (2020 - \$46,727).

Closure costs include final cover and vegetation, drainage control features, leachate control and monitoring systems, water quality monitoring systems, gas monitoring and recovery, land acquisition, site remediation, and site closure reports. Post-closure costs include leachate monitoring and treatment, water quality monitoring, gas monitoring and recovery, ongoing maintenance and annual reports. The discounted cash flow analysis is based on the estimated costs for each of these items over a rolling 30-year period (previously 25-year period) using a long term borrowing rate of 2.75% (2020 – 2.42%). The forecast period was increased to recognize significant costs associated with

the expected closure of Riverstown Landfill Site Phase 2 in 2050.

The liability for closure and post closure care is recognized as the capacity of each site is used. For any closed sites, 100% of the liability is recognized. A total of 86.48% (2020-99.46%) of the liability is recognized and reported, which represents the estimated weighted average capacity used to December 31, 2021. It is estimated that sufficient landfill site capacity exists for approximately 25 years.

Of the \$10,190,146 (2020 - \$8,613,565) recognized as a liability, \$908,819 (2020 - \$121,850) is included on the Consolidated Statement of Financial Position as a reduction to budgetary accumulated surplus and will be recovered from future general municipal revenues and \$9,281,327 (2020 - \$8,491,715) is shown as an amount to be recovered from reserve funds (see Note 12).

7. POST-EMPLOYMENT / RETIREMENT LIABILITY

Post-employment benefits include a provision to pay 90% of the premium cost for retired non-union full-time employees and 90% of the premium cost for retired union full-time employees for dental, extended health care and life insurance benefits for an employee voluntarily electing early retirement until the retired employee's 65th birthday. For union full-time employees, the County pays 100% of the premium for eligible early retirees with a retirement effective date of December 31, 2022 or earlier. There is also a provision to pay 50% of the premium cost for retired permanent part time employees for dental and extended health care. To be eligible to receive these benefits, the employee must be at least 55 years of age, have a minimum of ten years of continuous service with the County at the time of retirement and be in receipt of an OMERS pension.

The present value of these benefit obligations at December 31, 2021 was estimated from an actuarial review completed in December 2020. The review calculated the benefit obligations using an accrued benefit obligation methodology, which recognizes the accrued benefit over the employees' working lifetime.

Of the \$2,462,766 (2020 - \$2,359,915) recognized as a liability, \$492,027 (2020 - \$526,354) is related to the County's share of the Wellington-Dufferin-Guelph Health Unit, \$14,954 (2020 - \$1,833,561) is included on the Consolidated Statement of Financial Position as a reduction to budgetary accumulated surplus and will be recovered from future general municipal revenues and \$1,955,785 (2020 - \$0) is shown as an amount to be recovered from reserve funds (see Note 12)

Included in expenses is \$114,229 (2020 - \$118,289) for amortization of the actuarial loss. The unamortized actuarial loss is amortized over the expected average remaining service life of 15 years, which began in 2021.

The main actuarial assumptions employed for the valuation are as follows:

(i) Interest (discount rate):

The present value of future liabilities and the expense for the 12 months ended December 31, 2021 were determined using a discount rate of 3.25%.

(ii) Health Care Cost Rates:

Medical costs were assumed to escalate at a rate of 5.75% for 2021 vs. 2020, reducing by .333% per year to 3.75% per year in 2027 vs. 2026 and 3.75% each year thereafter.

(iii) Dental Cost Rates:

Dental costs were assumed to increase at the rate of 3.75% per year.

8. WORKPLACE SAFETY AND INSURANCE

The County is a Schedule II (self-insured) employer with the Workplace Safety and Insurance Board (WSIB). Payments made to the WSIB in 2021 resulting from approved claims were \$52,060 (2020 - \$65,949) and are reported as a liability transaction on the Consolidated Statement of Financial Position. The WSIB liability is based on an actuarial evaluation completed in December 2020. The evaluation is updated every four years. As WSIB benefits are a compensated absence, PSAB Section PS 3250 requires full recognition of liabilities associated with workplace injuries that occurred on or before the valuation date. The amount reported on the Consolidated Statement of Financial Position as a liability is \$1,394,249 (2020 - \$1,361,104) to be recovered by reserve funds (see Note 12).

Information about the WSIB liability is as follows:

| | 2021 | 2020 |
|--|-----------|-----------|
| | \$ | \$ |
| Accrued Benefit Obligation: | | |
| Balance, beginning of year | 1,105,254 | 1,278,321 |

| Interest | 31,255 | 48,129 |
| Expected benefit payments | (122,093) | (144,011) |
| Expected accrued benefit obligation, end of year | 1,199,100 | 1,336,662 |
| Actual accrued benefit obligation, end of year | 1,199,100 | 1,105,254 |
| Unamortized actuarial gain | 195,149 | 255,850 |
| WSIB Liability | 1,394,249 | 1,361,104 |

Included as a reduction in expenses is \$60,701 (2020 – \$37,564) for amortization of the actuarial gain. The unamortized actuarial gain on future payments required to WSIB is amortized over the expected period of the liability which is 10 years.

The main actuarial assumptions employed for the valuation are as follows:

(i) Interest (discount rate):

The present value of future liabilities and the expense for the 12 months ended December 31, 2021 were determined using a discount rate of 2.75%

(ii) Administration costs:

Administration costs were assumed to be 25.0% of the compensation expense

(iii) Compensation expense:

Compensation costs, which include loss of earnings benefits, health care costs and non-economic loss awards, were assumed to increase at rates ranging from 2.5% to 3.75% depending on the benefit type.

The County purchases two forms of insurance to limit exposure in the event of a significant work-related accident resulting in a death or permanent disability. Occupational Accident Insurance coverage provides a one-time fixed payment of \$500,000 per incident. Excess indemnity insurance is in place to a maximum of \$10,000,000 with a \$500,000 retention.

9. OTHER LONG-TERM LIABILITIES

In 2018, the County of Wellington approved The Invest Well Community Improvement Programme. This programme provides the framework to allow the County to participate financially in member municipalities' grant and loan programmes aimed at revitalizing, beautifying and attracting investment in Wellington. Tax Increment Equivalent Grants (TIEG) provide funding which is equal to the County portion of a property tax increase that is incurred as a result of a major community improvement project. County grants range from 100% coverage of the County portion tax increment in year one to 20% in year five. County funding is dependent on the member municipality participating financially through its own local CIP TIEG plan. Tax Increment Equivalent Grants must be approved individually by County Council and require the annual payment of property taxes by the applicant.

The County has agreed to participate in a TIEG grant and has entered into a Financial Assistance agreement with the Township of Centre Wellington. One payment of \$45,722 was made in 2021 (2020 - \$60,105) with subsequent payments estimated at \$45,065 (2020 - \$90,129). Annual grant

payments are subject to property value assessments and recalculation of the grants each year.

10. NET DEBENTURES AND LOANS

Provincial legislation restricts the use of debentures to financing capital expenses, and also authorizes the County to issue long-term debt for both County and Local purposes, with the latter at the request of the Local Municipality. The responsibility for raising the amounts required to service these liabilities rests with the County and such Local Municipalities for which the debt was issued.

| Total long-term liabilities at the end of the year | 32,566,214 | 34,587,574 |

Debentures outstanding for Local Municipal purposes (2021-\$22,750,862; 2020- \$19,764,364) are direct, unsecured, unsubordinated, joint and several obligations of the County and such Local Municipalities.

(a) The outstanding principal portion of unmatured debentures for municipal expenditures is reported on the Consolidated Statement of Financial Position, under "Net Debentures and Loans". Net Debentures reported on the Consolidated Statement of Financial Position are comprised of the following:

15. CONTINGENT LIABILITIES AND COMMITMENTS

In the normal course of its operations, the County is subject to various litigations and claims. The ultimate outcome of these claims cannot be determined at this time.

The County has approved a grant of 20% of eligible costs to a maximum of \$5.0 million for the redevelopment of Groves Memorial Community Hospital (GMCH) in the Township of Centre Wellington. As of December 31, 2021 the sum of \$3,677,306 (2020 - \$3,663,531) has been paid to GMCH, leaving an outstanding commitment of \$1,322,694 (2020 - \$1,336,469).

In January of 2020, the County provided a \$2,300,000 Obligations Guarantee for the Southwestern Integrated Fibre Technology (SWIFT) programme. This guarantee allowed SWIFT to obtain a credit facility and continue work on improving rural broadband service to Wellington County. This work is expected to be complete by November 2022 and the guarantee will be discharged at this time.

16. GOVERNMENT PARTNERSHIP

The County of Wellington is a partner in the Wellington-Dufferin-Guelph Health Unit. The County provides 32.0% (2020 - 32.0%) of the municipal funding to the Health Unit for the Cost Shared Mandatory and related programmes, and is responsible for a similar share of the assets, liabilities and municipal position of the Health Unit. Based on updated 2016 Census information, the County share is 32.0% except for the share of the long-term loan which remains at 32.7%. The County's share of the results of the Health Unit's financial activities for the year and its financial position at year-end have been consolidated in these financial statements. At December 31, 2021, the Health Unit's financial results and financial position are as follows:

| | 2021 | 2020 |
|----------------------|-------------|-------------|
| | \$ | \$ |
| Financial Assets | 8,017,479 | 5,567,985 |

On December 19, 2012, the County entered into a Financing Agreement with the Wellington-Dufferin-Guelph Public Health Unit, the County of Dufferin and the City of Guelph, to finance the County portion of the cost of building the two new facilities at Chancellors Way, Guelph, and Broadway, Orangeville. The Financing Agreement allows for quarterly advances of capital by the County of Wellington to Public Health beginning in January 2013, until the completion of the new facilities. The

total amount of the advances from all obligated municipalities will not exceed \$24,400,000 and based on 2011 Census population information, the County of Wellington's obligation is 32.7% or \$8,000,000. The interest rate on the loan repayment from the Health Unit to the County will be 3.34% per annum, and the term and amortization of the loan will be twenty years. The whole or any part of the capital financing under this agreement may be prepaid at any time without penalty or bonus and the Health Unit has made three prepayments; December 2014 - \$490,500, April 2017 - \$611,964 and August 2019 - \$1,665,800. These amounts have been transferred to the County's Public Health Debt Retirement Reserve Fund. At December 31, 2021 the balance of the loan receivable is \$1,090,163 (2020 - \$1,465,581).

17. PUBLIC LIABILITY INSURANCE

The County has a comprehensive programme of risk identification, evaluation and control to minimize the risk of injury to its employees and third parties and to minimize the risk of damage to its property and the property of others.

The County's purchased general liability insurance policy is \$25,000,000 per occurrence with no aggregate. The environmental liability policy is the maximum that can be purchased at \$3,000,000 per occurrence with an aggregate of \$5,000,000. The County's licensed fleet is insured with liability coverage of \$25,000,000. The deductible (self–insurance) is \$10,000 on fleet policies and \$50,000 on property and liability. The County also carries a legal expense reimbursement policy that covers 100% of legal fees to a maximum of \$100,000 per claim with an annual aggregate of \$250,000.

Based on claims received to December 31, 2021, the maximum deductible exposure to the County is estimated at \$220,609. These claims have not been accrued in the Financial Statements because the outcome of these claims is not known and the loss will be accounted for in the period in which the loss, if any, becomes likely and can be reasonably estimated. For claims not covered by purchased insurance, the County has a Contingency and Stabilization Reserve, which as at December 31, 2021 totaled \$16,961,938 (2020 - \$6,022,715).

18. PENSION AGREEMENTS

The County makes contributions to the Ontario Municipal Employees Retirement Fund (OMERS), which is a multi-employer plan, on behalf of approximately 676 (2020 - 678) members of its staff. The plan is a defined benefit plan, which specifies the amount of retirement benefit to be received by the employees, based on the length of service and rates of pay.

Contributions of employees with a normal retirement age of 65 were being made at a rate of 9.0% for earnings up to the yearly maximum pensionable earnings of \$61,600 and at a rate of 14.6% for earnings over the yearly maximum.

The County's contribution to OMERS for 2021 was \$4,308,735 (2020 - \$4,169,595) for current service and past service costs and is included as an expense on the Consolidated Statement of Operations. Employee contribution to OMERS in 2021 was \$4,308,735 (2020 – \$4,169,595).

As per PSAB 3250.111, the County of Wellington is current with all payments to OMERS, therefore, there is neither a surplus or deficit with the County's pension plan contributions.

As at December 31, 2021, the OMERS Primary Plan had a funded ratio of assets to pension obligations of 97% (2020 – 97%). The OMERS pension plan funding deficit at December 31, 2021 was \$3.1 billion (2020– \$3.2 billion).

19. SOCIAL HOUSING PROPERTIES

The County has title to the 1,189 social housing units of the former Wellington-Guelph Housing Authority. The units are located in the City of Guelph and throughout the County. The related debt on these units remains with the Province of Ontario. Of the \$2,462,227 (2020 - \$2,507,769) in federal government subsidies provided to the County for social housing, \$556,065 (2020 - \$590,600) is retained by the province to fund the associated debt servicing costs.

The County owns 100% of the shares of Wellington Housing Corporation which owns 440 King Street East in Mount Forest. 440 King Street is a 39-unit townhouse complex that is split approximately 50/50 between rent-geared-to-income (RGI) and affordable rental units. At December 31, 2021 the mortgage outstanding was \$357,300 (2020 - \$489,655).

20. BUDGET DATA

The budget data presented in these consolidated financial statements is based upon the 2021 operating and capital budgets approved by Council on January 27, 2021 and capital budget amendments made in 2021 in the amount of \$3,807,900 (2020 - \$174,000) that were approved by Council throughout the year. Amortization was not included in the approved budget however it has been included in the consolidated financial statements budget based on the estimated annual amortization presented to Council prior to budget approval per Ontario Regulation 284/09. The following chart reconciles the approved budget to the budget figures reported in these consolidated financial statements.

INDEPENDENT AUDITORS' REPORT

To the Members of Board of Directors Wellington Housing Corporation

We have audited the financial statements of Wellington Housing Corporation (the Entity), which comprise:

- the statement of financial position as at December 31, 2021
- the statement of operations and changes in accumulated surplus for the year then ended
- the statement of changes in net financial assets for the year then ended
- the statement of cash flows for the year then ended
- and notes to the financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Entity as at December 31, 2021, and its results of operations and changes in accumulated surplus, its changes in net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "Auditors' Responsibilities for the Audit of the Financial Statements" section of our auditors' report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Page 2

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether
 due to fraud or error, design and perform audit procedures responsive to those risks, and
 obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.
 - The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of
 expressing an opinion on the effectiveness of the Entity's internal control.

Page 3

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the
 planned scope and timing of the audit and significant audit findings, including any
 significant deficiencies in internal control that we identify during our audit.

1. AUTHORITY AND PURPOSE

The Wellington Housing Corporation (the "Corporation") is incorporated with share capital under the Ontario Business Corporations Act to provide, operate and construct housing accommodation primarily for persons of low and moderate income.

The Corporation operates the following non-profit property under Parts VI and VII of the Housing Services Act (HAS): 440 King Street East, Mount Forest, ON.

The Corporation's shares are 100% owned by the County of Wellington. The County is also the Service manager for the Corporation. The Corporation is exempt from tax under the Federal Income Tax Act.

2. SIGNIFICANT ACCOUNTING POLICIES

As an entity controlled by a local government, the Corporation is required to follow PSA standards. The financial statements have been prepared in accordance with public sector accounting standards.

(a) Basis of accounting

The Corporation follows the accrual method of accounting for revenues and expenses. Revenues are normally recognized in the year in which they are earned. Expenses are recognized as they are incurred and are measurable as a result of receipt of goods or services and/or the creation of a legal obligation to pay.

(b) Tangible capital assets

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets, excluding land, is amortized on a straight line basis over their estimated useful lives as follows:

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

| Major Asset Classification | Component Breakdown | Useful Life - Years |
|-----------------------------|------------------------|------------------------|
| Land | | N/A |
| Buildings | Structure | 15 to 50 |
| | Exterior | 20 to 40 |
| | Interior | 15 to 40 |
| | Site Elements | 10 to 30 |
| | Leasehold Improvements | Lease Term |
| Infrastructure | Parking Lots - Asphalt | 20 |
| | Parking Lots - Gravel | 10 |
| Furniture & Fixtures | | 15 |
| Technology & Communications | | 5 |

(c) Contributions of tangible capital assets

All assets contributed to the Corporation are recorded at their fair value at the time of contribution. Revenue at an equal amount is recognized at the time of contribution.

(d) Government transfers

Government transfers are received from the Service Manager and the Province for the provision of social housing services, building construction and other capital expenditures. Government transfers are recognized as revenue in the financial statements when the transfer is authorized, any eligibility criteria are met and a reasonable estimate of the amount can be made except, when and to the extent that, stipulations by the transferor give rise to an obligation that meet the definition of a liability. Government transfers that meet the definition of a liability are recorded as deferred revenue on Statement of Financial Position and recognized as revenue on Statement of Operations as the liability is extinguished.

(e) Rental Revenue

Rental and other revenue is recognized at the time the services are provided.

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

(f) Investments

Investments consist of equity and bond funds and are carried at cost. Losses are recognized when the decline in market value is other than temporary. Gains and losses on investments are recorded when the investment is sold and interest is recorded when received or receivable.

(g) Cash and cash equivalents

Cash and cash equivalents include short-term investments with a term to maturity of 90 days or less at acquisition.

(h) Use of estimates

The preparation of financial statements, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the financial statements, and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates.

3. CASH AND CASH EQUIVALENTS AND PORTFOLIO INVESTMENTS

Total cash and cash equivalents of \$855,307 (2020 - \$987,164) are reported on the Statement of Financial Position at cost.

Total bond and equity investments of \$103,096 (2020 - \$87,387) are reported on the Statement of Financial Position at cost and have a market value of \$123,689 (2020 - \$104,202).

4. ACCOUNTS RECEIVABLE

Accounts receivable recorded on the Statement of Financial Position are composed of the following:

| | 2021 \$ | 2020 \$ |

7. CONTINGENCIES AND COMMITMENTS

In 2019, Wellington Housing Corporation entered into a contribution agreement with The Corporation of the County of Wellington (the "County") to construct and operate a 4 unit affordable housing project on the 440 King Street, Mount Forest site. The County provided \$900,000 in a forgivable loan for the Project. The loan and any accrued interest (8% per annum) are forgivable after 25 years as long as all conditions of the agreement have been met during this term. The terms of the forgivable loan include that the Corporation is to construct and operate the Project as affordable housing units for a term of twenty-five years. As per the agreement, funding of \$450,000 was disbursed in 2019 as the initial milestone of having a signed contribution agreement in place was met. Additional funding \$450,000 was disbursed in 2020 upon completion of structural framing and confirmation of occupancy.

10. IMPACT OF COVID-19

On March 11, 2020, the World Health Organization declared the Coronavirus COVID-19 (COVID-19) outbreak a pandemic. The pandemic has resulted in significant financial, market and societal impacts in Canada and around the world.

The ultimate duration and magnitude of the COVID-19 pandemic's impact on the Corporation's operations and financial position is not known at this time.

These impacts could include a decline in future cash flows, changes to the value of assets and liabilities, and the use of accumulated surpluses to sustain operations. An estimate of the financial effect of the pandemic on the Corporation is not practicable at this time.

INDEPENDENT AUDITORS' REPORT

To the Members of Council, Inhabitants and Ratepayers of the Corporation of the County of Wellington

Opinion

We have audited the financial statements of the Trust Funds The Corporation of the County of Wellington (the Entity), which comprise:

- the statement of financial position as at December 31, 2021
- the statement of operations for the year then ended
- and notes to the financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Entity as at December 31, 2021, and its results of operations, for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "Auditors' Responsibilities for the Audit of the Financial Statements" section of our auditors' report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Page 2

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.
 - The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of
 expressing an opinion on the effectiveness of the Entity's internal control.

Page 3

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the
 planned scope and timing of the audit and significant audit findings, including any
 significant deficiencies in internal control that we identify during our audit.

1. ACCOUNTING POLICIES

These trust funds have not been consolidated with the financial statements of the County of Wellington (the "County").

These financial statements reflect the financial activity and financial position of funds held in trust by the County for residents of the Wellington Terrace Long Term Care Home (Comfort Money), for County staff who are the members of the County Wellness Centre and for the Wellington County Safe Communities Committee.

In October 2012 the Safe Communities Trust fund was established. These funds are held in trust by the County for use by the Wellington County Safe Communities Committee.

Funds held in trust are maintained in separate bank accounts by the County on behalf of the Wellington Terrace residents and Safe Communities Committee. Net County Wellness Centre membership proceeds are maintained in the County's general bank account. Interest is credited to the funds and allocated to the Wellington Terrace residents, County Wellness Centre members and Wellington County Safe Communities Committee on the basis of their individual balances in the fund.
