Green Legacy Programme Volunteer Information Sheet

Come Prepared!

Volunteers are responsible for wearing/bringing:

- **Appropriate footwear** – boots for rain/mud, sturdy shoes for hiking. We suggest closed-toed shoes.
- **Hat and/or sunscreen, bug spray**
- **Rain gear/warm jacket** – depending on weather and the time of year
- **Work gloves** – if you want to wear work gloves, please bring your own
- **Refillable water bottle** – drinking water will be provided

Because of the different environments we could be working in, try to dress in layers to accommodate the changing temperatures.

Weather and Cancellations

The Green Legacy Programmes generally run rain or shine. The greenhouses are reasonably comfortable regardless of the weather. We also have limited indoor working space in our underground cooler building. In the event of extreme heat or cold weather we will work at a comfortable pace and will take rests as needed.

If severe thunderstorms or other inclement weather are forecasted for the day you plan on volunteering, contact Green Legacy staff by 8:30 am. **The decision to cancel programmes is made at the discretion of the Green Legacy Manager. If programmes are cancelled, entry gates will be locked.**

Given the limited indoor space available at the Green Legacy Nurseries, it is difficult to accommodate a large number of people in poor weather conditions. Re-scheduling of volunteer dates will be arranged if needed.
