RE: Review and Acceptance into the Provincial Register of Reports: Archaeological Assessment Report Entitled, “*Stage 1-2 Archaeological of: 6586 Beatty Line. Part of Lot 17, Concession 14, Town of Fergus. Geographic Township of Nichol, Wellington County, Ontario,*” Dated December 2008, Received March 16, 2009, MCL Project Information Form Number P029-377-2007, MCL RIMS Number 23SP007

Dear Ms Slocki,

This office has reviewed the above-mentioned report, which has been submitted to this Ministry as a condition of licensing in accordance with Part VI of the Ontario Heritage Act, R.S.O. 1990, c 0.18. This review is to ensure that the licensed professional consultant archaeologist has met the terms and conditions of their archaeological licence, that archaeological sites have been identified and documented according to the 1993 technical guidelines set by the Ministry and that the archaeological fieldwork and report recommendations ensure the conservation, protection and preservation of the cultural heritage of Ontario.

This report has been addressed as part of the backlog project, and was subjected to a review that focused specifically on concerns for archaeological resources and/or sites in relation to the outcomes and recommendations of the report. This focused review does not alter or effect your obligation as the licensee to ensure that all reports submitted meet the Ministry technical guidelines and terms and conditions of licence.

As the result of our review, this Ministry accepts the above titled report into the Provincial register of archaeological reports. No archaeological sites were documented. It is recommended that there are no further concerns for alterations to archaeological sites for the area that has undergone archaeological assessment. This Ministry concurs with this recommendation.

Given the above, this Ministry is satisfied that concerns for archaeological sites have been met for the area of this development project as depicted by Figure 3 of the above titled report and as depicted by the included *Plan of Survey of Lot 17 Concession 14, Township of Centre Wellington, County of Wellington* prepared by JD Barnes Ltd, dated April 24, 2007.

I trust this information is of assistance. Should you require any further information regarding this matter, please feel free to contact me.

Sincerely,

Ian Hember
Archaeology Review Officer
